I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the proposed extension of the line of the New York and Albany R.R. to the city of Albany. I am sorry that I cannot give you a more favorable answer, but the Board of Directors of the R.R. are of the opinion that it is not expedient to extend the line at this time. I am, however, in favor of the extension, and I am sure that you will be of the same opinion. I am, Sir, very respectfully,
