filed all the necessary proof to obtain a duplicate
of Land Warrant No. 14,140 for 160 acres, issued to the heirs

I take the liberty of calling your attention to
the matter. Will you please send me such
certificate, if in your power to give one?

Hon. S. A. Douglas—
Dear Sir, Will

you favor one of your democratic
friends and an admirer of your
course in the Lecompton ^{by reading} ~~Swindle~~
^{your} own reports and speeches
which you have made and may
hereafter make on the admission
of Kansas into the Union as a State
under the Lecompton Constitution, and
other subjects connected therewith.

Also the speeches of other democrats
opposed to that Constitution.
Such favors will be thankfully
received and duly appreciated.

I assure you that the mass of
the people of Indiana are with you
on the Kansas question, and admire
your ~~courage~~ ^{own} your courage and inde-
pendence in opposing a majority of
your democratic friends, or were soon
to be, and even the administration of
your own choice, for the sake of
upholding the Constitution and justice.

Although we are loth to disagree
with the president of our own meeting
yet we will not desert our principles
for the sake of any man. Those men
who are betraying their constituents
and playing today to those in power
will be held to a strict account by
the people. Instead of reading letters
more than themselves out of the
democratic ranks, they will be
invited to stay at home and give
place for more worthy men.

Hoping you may succeed in presenting
such a plan being forced on the people
of Kansas.

I remain Yours

Dear Sir = Although
a stranger to you in person, yet I
trust, you will allow me the privilege of
knowing you, as a statesman - I am,
and ever have been a democrat and one
of the ardent supporters of the Kansas Nebraska
Act - I hope to see its principles adopted
on all future occasions, where new states
apply for admission into the Union -

I am desirous, that in the distribution
of Tr. Soc. relating to that question you will
supply me with a small share of them - The
reason I ask this of you, our delegates in Congress
are negligent of this matter, consequently we are
left without means of knowing fully what is
going on relative to that question - Send
me your speeches in particular -

I have written to Her W^d English &
Ind. on this subject. To whom I refer
you, as to my democracy, character and re-
liability as a political friend -

Assuring you of my appreciation
of valuable efforts to establish the principles
of non-intervention by Congress upon the
slavery question, and hoping to see you
occupy an more exalted position, I am
very respectfully
