Dear Sir;

Though
defeated in the Senate you
are still right. Many Dem-
ocrats in this region don't
hesitate to say so, but still
think the President's course
justifiable on a political
ground. Please send me

Kansas question.

Am. S. A. Douglass

Dear Sir

Will you be so good and send me several copies of your great Speech recently delivered in the Senate in opposition to the Leecombe Scoundrel

I have always been a Whig held the office of Postmaster under Pres. Taylor & Fillmore at Greensburg County Seat of Westmoreland where your friend Alex McKim Esq resides and the Scoundrel Anti Leecombe Town & County in the State

I am an entire stranger to you I was introduced to you in Washington City in 1849 I think if I recollect right by Am A. L. Ogle member of Congress from Somerset District who died some years ago - You of course do not recollect me and I have no object in telling you anything else but the truth there are thousands in this country ^{and} since have never been anything but Whigs, Americans & Republicans are now

Douglas Democrats or an for Doug-
lap for President ^{in 1860} and I ^{am known to say} count myself
among the number. I had not seen
a single young man who now pretends
to have been a Republican or Amer-
ican but is Douglas for the future
his motto what?

We cannot form any
idea of the result to-morrow we
hope for the best - but fear the Powers
that be and which are used now
no doubt there are since the formation
of this government

I have already made
this much longer than I intended
Should you see Hon. Mr. Coode or Hon. S.
a Purianer resemble me to them

I am very truly
Yours obedient servant
