About Volunteers
for the Utah
Army

4787

Chicago, April 4. 1858.

My dear Sir:

A regiment of
Volunteers representing the state
as far down as Alton, - three
companies being from this city, -
has just been organized here.
I have already offered it for
service, through the Adj't. General
and the General-in-Chief of
the Army. It will probably
be officially tendered at an
early day, by the Governor of
the State.

May I ask of you, that
you will in the meantime,
take any course you may think
proper, to advance the probability
of its acceptance by the
Government. Having been

selected with entire unanimity
to the Command, I desire to
use every effort to carry out
the wishes of the regiment
to be accepted into the service
of the government for the
most active duty.

No political issue has been
raised in the formation of this
regiment. It has been gotten
up with a view to represent in
a military sense, the entire
State.

I do not know, however, that
the Administration would in these
cases, inquire into the fact, as
to whether they were accepting
a regiment under the command
of one of our political faiths.

You will probably find
in the Adjutant General of the
Army and the General Scott
every disposition to aid us,

should the government desire
the services of Volunteer troops.

I am, with great regard,

Very truly,

Yours O. B. P. O.

A. B. Buckner.

Col. 1st Ill. Volunteers.
