Stephen A. Douglas,

Sir, The spirit of political controversy being rather warm in this vicinity it is important that we hear the views on both sides of the question. I therefore take the liberty of requesting that you send me for distribution a few copies of your article "in reply to Judge Black."

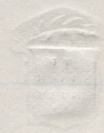

I would not intrude on your time or attention only that I, at present, see no other direct mode of accomplishing this object. I know of only one copy of the article to which I refer being in circulation, and that number is certainly not enough in a community like this, and at such a time as this.

Respectfully Yours,
David Donovan.

Dear Sir

I am preparing a small library for my family, amongst other books I have five volumes of Schoolcrafts history of the Indian tribes of America, the work has been continued by the Congressional printer, and it will be impossible to get the balance of the work unless by the aid of some influential person at the seat of Govt, had the work been continued by some Book concern I could have secured it

If you can get volume printed by Congres last winter for me, with or without price I will consider it a great favor & if you can get some other books published by Congres I cannot be had elsewhere, I shall be very much obliged

With respect

Yours &c

Resd Sir

I have this morning examined your reply to attorney Gen Black's uncalled for strictures on your Harper article, sent by you to Mr Hardy Esq Editor of the Sentinel of this City. It is just the thing for the occasion. You will much oblige by sending me for distribution a package of them. The spirit of enquiry is rife and your position is discussed daily with success. — We are to hold a regular Douglas Meeting here on Saturday which no doubt will tend much to turn the tide of public opinion in this State. The meeting is to be addressed by Hon C. W. Lee, Hon Alex White, Col Blake, Mr W Lapsley Esq & myself. The object of the meeting is to endorse your views of territorial government, and thereby counteract fire eating disunion. Protection democrats, all that is necessary is to take a bold stand & we intend to do it; // Send the package

I am Sir Respectfully

Dear Sir.

I beg leave to lay before
you my views of popular
Sovereignty in the Territories,
in an article signed as
John Virginia & published
in our Town paper "The Ma-
nawha Valley Star" a copy
of which I send you.

In the pursuit of professional
labour, I have not been
able to give to the subject
that thought which it de-
serves. I felt the influence
that the article from
the Administration over
you, & was alarmed to this
reply.

Excuse me for un-

prising my acquaintance
upon you. I will make
but one apology. I feel that
every Union living man,
owes you something.

My kind Capt. E. W. B. 2
man or Dr. M. Parker
May casually tell you
who I am.

Very Respy
