Dr. C. Graham,

My Dear Sir:

Having seen a reference to a paper you contributed to a Louisville paper on the result of your labors at the Big Bone Lick in search of mammoth remains — I am curious to obtain a copy of the paper containing it.

Perhaps you can supply with the paper — if so, I shall feel thankful to you for it. I am glad to know that you are still able to be interested in the

advancement of science  
Extension of human  
Knowledge.

God bless you!

Cordially & Truly Yours,
