Prof. S. R. Henderson,  
Secretary, World's Congress of Criminalologists,  
University of Chicago, Chicago, Ill.

Dear Sir:

If you have not already provided for the reporting of the meetings of the World's Congress of Criminalologists, to be held in Washington, October 2-8, 1910, I would be glad to quote you on this work.

I have had experience for the past few years in reporting some of the most difficult work in the stenographic line, such as hearings before the Interstate Commerce Commission, Supreme Court work, various technical conventions and associations, as well as the usual run of reporting, and I can give you a transcript which will prove satisfactory.

If you will kindly advise me as to the number of sessions you will have, and the approximate time covered, I shall at once furnish an estimate which I think will be attractive.

Yours very truly,

*Ernest B. Elson*
