Handwritten text in cursive script, likely bleed-through from the reverse side of the page. The text is arranged in approximately 20 horizontal lines, though it is significantly faded and difficult to decipher. It appears to contain names and possibly dates or addresses.

Handwritten text in the bottom left corner, also appearing to be bleed-through. It includes several lines of cursive script, possibly a signature or a set of initials, followed by some more legible characters that might be a date or a reference number.
