Memorandum
of Mr. Gomers
in Relation to
a note

inclosed is a Note on Mr Farmer for \$135⁵⁰
I came by this note in the following manner
In Jan 1846 you put into my hands a
Draft Drawn by John M Chilton for 220
Dolls on Payne & Garrison Chilton paid me
\$50- which I sent down & not being able
to get any more out of him & left the draft
with Mr Matthews when he lived in Wickburg
to try & collect it & he traded it off to James
L Powers all that I got for it was the watch
which Mr Farmer Wares & not feeling
able to keep it myself after his known
treated me as he did I sold it to farmer
for \$125⁰⁰ The Gold Chain belonged to me
& I considered it worth \$10- which
makes the \$135-
