

it; When Mr. Mayhew gave the order for Harris to be whipped to me, he gave me the order in this way; he said "Bring Thomas Harris down below" or "down stairs, and lock him up in a cell, and chain him to his door, and leave him there, and if he makes a noise, strap him, and I don't care a damn whether he comes out head first or feet first. It is orders from head-quarters, and I don't care a damn who knows it." He said it was orders from head-quarters. I don't know who he meant by "head-quarters" unless it was the Commissioners and the warden. I supposed he meant the head of the institution.

Q What was your impression?

A I supposed it was understood by the warden and the Commissioners.

2 Did you have any other reason for supposing that the commissioners or the warden knew of it?

Nothing only the Deputy warden's word - his saying that he had orders from head quarters, and "he didn't care a damn who knew it." I have been in the habit of taking orders from all the Deputy Wardens I have served under without consulting the warden or the Commissioners.

2 As Keeper of the solitary, do you know of any safer way or any better way to stop a convict when he is making a noise than to apply the gag which is now used in this prison?

I consider the gag, since we had the trouble with Michael Ryan, unsafe. I consider it dangerous.

or safer way, although I have
not considered the gag safe
since we had the trouble
with Michael Ryan.

Q Has the gag been used by
all of those officers under
whom you have served where
convicts would persist in
disturbing the solitary?

A I think it has, Sir.

Q Was it under Mr. Mayhew
whom you have last been
serving?

A The gag was used for that
purpose.

Q Was it under Captain Hall
who preceded him?

A Yes Sir; The gag was used
under Captain Hall.

Q Was it under Mr. Lang who
preceded him?

A I think so. I don't know
that we ever used the gag

2 Have all of those Deputy
Wardens being present at
different times when you, as
Keeper of the solitary, have
gagged men, for instance,
Captani Arnold?

A I never gagged a man under
Captani Arnold. I was not
Solitary Keeper at that time.

2 You gagged men under Mr.
Mayhew when he came in?
A when he came in this last
time.

2 Not the first time?

A No sir.

2 Did you gag men under
Captani Hale?

A Yes sir.

A He has seen me.

1 When under Mr. Bang did you gag men?

2 Under Mr. Bang was in only a short time. He was only Deputy Warden about a month and I think I did, but I would not say positively as to that - his time was so short.

3 And then under Captain Hall again?

Yes sir.

4 What did you say to Mr. Leasure about Reid, the convict, when you were relieved that night by him, as Keeper of the Solitary?

5 I told him he had been trouble some all day.

6 That is about what you said to him, is it?

Yes sir. And I think I spoke of the strap too, and Mr. Leasure requested me to leave the strap out, to leave it in the bucket, and not lock it

Commissioner Delaney:— I understood you to say that the first strapping of Harris was done by order of the Deputy and the Doctor?

Ayes Sir.

2 Who ordered you to whip him the second time when he soiled the cell?

Q I had no orders the second time. The order was given in such a way that I understood I was to strap him if he did anything contrary to the rules of the Solitary. The way I understood the order, it was done to see whether the man was insane or not.

3 I understood you also when you informed Captain Mayhew of the first whipping, that you expressed your opinion to him that he was insane?

Ayes Sir.

2 Did you think that he was

insane the next time that you whipped him. Did you still think he was insane?

A I thought he was insane, but knew better than to dirty his cell.

Commissioner A. M. Jones: — Then does the board understand you that in whipping convict Harris the first time, you did it with any feeling of revenge?

A No sir.

Q Or that you did it as a medical experiment to ascertain the fact whether he was a crazy man or not?

A Yes sir.

Commissioner Delaney: — Do you understand that the gag is recognized as one of the methods of punishment in the institution?

A I do, sir.

Q Do you understand that the strap is, also?

A Well, I understood that the strap was to be used in Harris'
