April 6. 1832

My dear Sir

I regretted not seeing
you in N. York. My engagements
would not permit my
going to Albany. How I am
sensible of the loss which I sustain
to you?

I am glad to see the
strong delegation the Chamber
of Commerce has sent to our
convention.

By the way - a Memorial
to Congress should be prepared
to be submitted to the
Committee. The importance
of the Ship Canals, ~~as~~ ⁱⁿ a Military
political, & Commercial point of

of View should be fully presented.
I know no person who can
present the Commercial aspect
of the Case so well as Yourself.
Will you prepare a Memorial
presenting this View? The
Military & political ^{View} must
be presented, & I will ~~that~~
~~sum~~ ^{sum} ~~thoroughly~~ ^{thoroughly} ~~together~~ ^{together} on
these topics which may
be useful to whom
may be the subject in
Charge. I wish you
would be Ex-Rostrom
Unit as a delegate from
Buffalo. I go home next
week. Let me hear
from you here this week,
H. S. B. Briggs
Yours truly
Isaac W. Arnold

of them should be fully examined.
I have also been with you
to meet the Committee and report
of the case so well as possible.
With your permission as necessary
for securing the same, I will
attend to the matter, and I will
be there to meet you.
I am, Sir, very respectfully,
Your obedient servant,
J. W. Smith.
P.S. I have also been with you
to meet the Committee and report
of the case so well as possible.
