My Dear

I saw G. Denny  
refuse, today, the  
notes of my a/c.  
with the brief ac-  
counts, as usual.  
I could, certainly  
writing to when  
and - This I can

with the an I may  
have to make a  
the Super. Carriage

but we know  
if the ladder is  
not. Entered in  
the Registry records  
for it.

Very  
Respectfully

at what price.

suit me better  
than any other  
tho', I could, &  
could, so to  
Albany

if desired.

I expect to be  
Mayor of Troy,  
for a further time  
when is this
