Paris Ills. 29 Oct. 1849

Hon G. W. Rives

Dear Sir

Write you a few lines the
other day in which I stated that
we wanted assurance from Mr Bond
that Nebecker should be appointed
Deft Marshall - ^{because why} then we wish the
matter settled now is this -

Nebecker can sell his Saddle Shop
out and give possession of it
any time within 2, 4, 6, or 8 months
which he wishes to do - provided he
gets the appointment - otherwise he
wishes to carry it on - such is the
reason -

In relation to Mr McReynolds
do your best for him, for I do assure
you, that he needs something done
for him - as Murrell demands
Bill, now for Nineteen hundred
& fifty Dollars \$1950 - on their constitution
of Partnership - that is doing well
for 2 years partnership - Murrell
declares they have lost \$3900,00 that
will do
