Dear Sir

I do not know how to happen,
but your letter is only reached me
this morning. I do not think you can
take any other or more interest
than your shorter specifics - I would
run no risk for such a title - Of
course you know if the representative
knew the note, it becomes their
debt, & the stock is shared - I sup-
pose you mean personal representa-
tives -

Yours

Shadrach Stearns

S. Shack Esq

Memorandum

What was this - how to happen
last night - nothing - I was with you
the morning - I was with you
the day before - I was with you
the day before - I was with you

the day before - I was with you

the day before - I was with you
the day before - I was with you
the day before - I was with you

the day before - I was with you

the day before - I was with you

the day before - I was with you

the day before - I was with you

the day before - I was with you

the day before - I was with you

the day before - I was with you

the day before - I was with you

the day before - I was with you

the day before - I was with you

the day before - I was with you
