Boston June 25th '47

My dear Mr. Loring,

I am pleased always
with any word of sympathy
from you, & feel animated by
the glow of yr feelings.

I don't think it probable
that I shall be in Boston on
the 4th July. I don't like

such days, nor public dinners.
Maybe, however, that I shall not
miss the pleasure of seeing you.

Since our dear Judge has
passed away, feel that you

as one of his representatives, they
leave, even more than while he
lived. God bless you - especially
for all your early kindness, Dear,

Yrs ever sincerely,
Charles Sumner
