J.

T. D. Davis Esqr.

Sir.

About a fortnight ago I took the Liberty to write to Mr Davis about my Brother Phellipp Thalheimer (now a Prisoner of War at Johnsons Island Ohio) and that time I wrote all the Particulars, about a Petition that we send from here early last Year, requesting Mr Stanton to releave that Phellipp Thalheimer. We never had an Answer here (about the case) from our hon. Congreſsman at Washington Therefore I would request You Sir, to listen to Mr G. Anfaenger

T. T. g. P.

bearer of this Lines, and please
try to git P. T. released.
We will be thankfull to
You Sir, if you would take
pains for such a human Act.

Most respectfully
Yours
M. Thalheimer
