The handwriting is a cursive script, possibly from the 18th or 19th century. The text is written in a single column, with some lines being more prominent than others. The paper is aged and yellowed, with some creases and a small brown stain visible. The seal is located in the upper right corner of the document.

20th August 1827.

My Dear Sir.

I have been anxious to know the
result of your Brother's application to Mr.
Charles Mahan of Cahucalla. which I
shall thank you to let me know. I
think your Brother Charles if possible should
dispose of his Int. in the Lands to him.
but I should advise you not to interfere
in the matter. at the same time of course
it must be your Int. to have the matter
settled & you should accordingly advise
your Brother to do so. I think your Brother
will be bound to save you trouble from
W.
J. of Mahan Esq

the

effect of the Bond. at the same time it wants
of Cause the much more pleasant to all
parties that such an attention should be
avoided, let me know any matter that may
have occurred on the subject since my departure.

I saw James O'Shaughnessy
in Limerick & asked him respecting the articles
he stated he went merely to the Registry
office with your uncle & told Mr. J. S. Mahon
that he believed your
uncle wanted & had them returned to him
at the moment. I have also spoken to
your uncle Richard on the subject. he
says he never saw them, but that
certainly they ought to be forthcoming
I have no doubt but that we shall
get

get them. I should advise you at the
same time to be silent on the subject
& not to communicate with any person
respecting them. I have not been able
to see Mr. Elliott of Albany St. since my
arrival. I called on him to day he was
not at home & left my name. I find

Mr. Danvers has served a subpoena
them. on your uncle Richard at the
suit of Jerry Quinn. has he
served one on you. I hope to be
able to send you the draft renewal
& notice for service on Mr. Macnamara
by Wednesday night. You may rely
on it I shall not lose a moment
do not let my communications be
seen by others for reasons which I
shall again explain. Yours very truly

My dear Sir,

I was only last night favored
your letter of Saturday. Mr. Penfather's opinion
is I think as you say quite clear & distinct
I am not aware of the little point to which
you allude as an exception. I think your
feeling with respect to the article is perfectly
right. & I shall act accordingly. You
may rest assured of this that a Considera-
tion for your Interests shall alone in-
fluence me. I am well convinced of
your Pacific disposition towards all
the parties. but I am inclined to think
you
Yours faithfully
Jas. Gordon Mackenzie Esq.

You will not be the first to draw the
Sword. as I believe it is in Contemplation
to revive the Bill filed agt you during
your Mother's life time. The present Bill is
to be in the name of Richard Osborn as
Guardian of Miss Mahan. as I understand.
Really should this be done you will have
no Cause to regret it in my mind. for
two reasons the first is that no possible
injury can result to you from that suit.
in as much as Miss Mahan will be of
age long before any step to affect you
in it could be taken. I am her (Miss Mahan)
attaining her age she would of course
stop the proceeding. & there would be an end
to the suit. Secondly it would afford you
an excellent opportunity of, in your
own defence, filing a Bill for all the

Object advised by Mr. Cunningham in both
his opinions. by which means, you would
improve the Purchase Money of the Lottery.
the Little to which the parties are making
out as fast as possible - the only Creditor
of your Father unpaid is your uncle John
except your uncle Russell & Richd. Hoffman.
I think a great deal cannot be due
to them. but you will have an opportu-
nity of ascertaining what disposition has
been made of the Money drawn by your uncle
from the Mfg. Co. & the Est. for which
is very precise & valuable. it is quite clear
that all your Father's general debts should
be exhausted before the Mfg. fund can
be touched upon. this is the Cause
which will be obliged to pursue. A Cause which
I trust will leave you at all events the
original

My age Debt untouched. See then how
you would be Circumstanced; Miss Mahan.
would be of age. which would enable you
to Claim the My age & Lady's Debts as a
Specific Legatee. the only Creditor I may
say you would have to satisfy would be
your Uncle Mahan & with him I think
you could expence no differently, at
all events you would have a large &
available fund at your Command. your
great object must be to prevent Miss
Mahan's fortune being paid out of the
My age & Lady's Debts which are charged
for your benefit on the Riches, but leave
the entire fortune a Subsisting Charge
upon the Lands. so that should you
pay it off. you can have it assigned

to a Trustee for your benefit. but
should the entire or any part of the fortune
be paid out of the funds to be in. Cannot
it would extinguish the Charge to the
extent paid. I am thus particular as I wish
to explain every matter to you as fully
as possible. I hope I may to you the
object I have in view with sufficient dis-
tinctness to be understood. I need not say
that should you differ from me in any
view I may take of those matters, you
will have the goodness to favor me
with your opinion =

that as I anticipated is likely to turn
out an unpleasant affair. Should
proceedings be contemplated agt your
property. Miss Mahan's claim would
be protected, for that as well as for other
reasons I think the Bill to which I have
before alluded as likely to be filed by
Richd. Hoffman would ultimately prove
beneficial to you, whatever may have
been the object in having recourse to it.
I were I you I certainly would not use
any means to oppose its being acted on.
that is merely my opinion. You will of
course reject or adapt it as your
own sound Judgment will dictate to.
You will not your Brother Charles adopt

means to relieve you from the effects of it.
it was clearly done for his exclusive benefit.
You may rest assured I shall under any
Circumstances protect your Property from
the effects of it - is it intended by Mr.
Charles Mahan to proceed on the Bond in
November. Let me know this if you can.

I have made every enquiry
respecting Mr. Paken in London
to Mr. Ashurst being able to
ascertain her residence. do

you know the number or where
I can learn it. & I shall require the
information you wish for -
say to Mr. Sturt with respect to the £500. I
think he will find it a different matter
to get it an an abstract of the Ind. being
any Person will then except an Mr. Japp or

perhaps I could get it. Hope I need not say

get possession of all. I rely upon it
he will give up the articles & that with-
out much more delay. & that he will
give up the Lenses of his den also
I have very little doubt. You have
not mentioned any thing respecting the
acts which Richard Johnson stated
he sent to New Park. You will see
easily by what Chopley states they
are material. I think you ought to
write to Mr. Mahan respecting the Judge
& tell him in case any application
shall be made to him on the subject
that he may say he "will do nothing
without being well advised" without
saying for whom he holds the Judge.
Mr. Mahan being attorney her case
is of course managed with reference to the

Piece filed which I shall have disengaged
I shall not give Mr. Macnamara a

opposition (or rather that of her sons)
