

The East and the deprived people of the world, the super-powers, and the arrogant should all find their lost selves. The former must come out from under the influence of satanic propaganda and find their divine strength and the power of the masses. The latter must become aware of their inferiority in relationship to nations which have arisen so that peace will spread over the world and the criminal hands of oppressors will be curtailed.

OH, MY COURAGEOUS BROTHERS! YOU (WHO) HAVE ARISEN TO LIBERATE YOUR HOMELANDS, AWAKEN YOUR PEOPLE! CLEANSE MINDS FROM THE REMAINS OF CENTURIES OF PROPAGANDA AND LOSS OF SELF-IDENTITY FROM ENCOUNTERING THE WEST AND THE ARROGANT.

An excerpt from the message of Imam Khomeini
to the Popular Liberation Movements of the world.
