My dear friend

This is to notify that your Holiday
is over - and that you are hoped for
next Sunday. 24th at 4 o'clock at
19 Albert Hall Mansion

Kensington Gore. p. 11.

I have promised Miss Lazarus, who brings
letters to me from Mr James & Mr Gelder
that she shall have the pleasure of seeing
you - she leaves London on the 1st July
and to return home without seeing you
is impossible -

We have had a pretty fair time -
Very hot. and very cold. and have missed
many pleasant things - where you were
to be met. I however bring Edythe home

letter, and that was my object in staying
here.
