My dear Mr. Leonard:-

I beg to acknowledge your favor of the 11th inst. I am not accustomed to be a candidate for office and don't suppose in this case that I should have any cabinet positions or postoffice positions to promise to supporters. If you think on the whole that that would not embarrass the candidacy to which you refer, I am sure that I should feel honored to have my name considered by the committee. Seriously, anything which I can do for old Williams will be done gladly.

Very truly yours,

THIS AGREEMENT made the 28th day of January, A.D.1907,
by and between THE UNIVERSITY OF CHICAGO ALUMNI ASSOCIATION,
a corporation organized and existing under and by virtue of
the laws of the State of Illinois, PARTY OF THE FIRST PART, and
FRANCIS H. WELLING, PARTY OF THE SECOND PART,

WITNESSETH, THAT, WHEREAS, the PARTY of the FIRST PART
proposes to own, control, publish and issue a monthly magazine
entitled "THE CHICAGO ALUMNI MAGAZINE", devoted to the interests
and affairs of THE UNIVERSITY OF CHICAGO ALUMNI ASSOCIATION and
of THE UNIVERSITY OF CHICAGO, and,

WHEREAS, the PARTY of the SECOND PART is desirous of
undertaking, upon the specific terms hereinafter set forth, the
procurement of advertisements and subscribers for said magazine,
as well as the printing and fashioning of the said magazine,
and its distribution to the subscribers thereof,

NOW, THEREFORE, it is mutually agreed by and between the
parties hereto that in consideration of the premises and of the
mutual covenants hereinafter set forth, the PARTY of the FIRST
PART hereby agrees,

First: To provide a competent editorial staff consisting
of an Editor in Chief and a Board of Editors, whose duties shall
be to provide at least five (5) days before the fifteenth (15th)
day of each month, on which said last named day said magazine is
to go to press, all copy, exclusive of advertising, which is
necessary for and intended to be inserted in the current monthly
issue of the said THE CHICAGO ALUMNI MAGAZINE:

Second: To provide a Board of Control composed of
members of the said THE UNIVERSITY OF CHICAGO ALUMNI ASSOCIATION,
which Board shall have and exercise such powers as are hereinafter more
particularly enumerated:

Third: To pay over during the year 1907, to said PARTY of the SECOND PART all money received by the PARTY of the FIRST PART in payment of subscriptions to the said THE CHICAGO ALUMNI MAGAZINE for the year 1907.

Fourth: Give to the PARTY of the SECOND PART free access at all reasonable times to the list of names and addresses of the Alumni of the University of Chicago and, through the Editor in Chief, actively assist the PARTY of the SECOND PART in procuring subscriptions to the said THE CHICAGO ALUMNI MAGAZINE.

In consideration of the foregoing covenants the PARTY of the SECOND PART hereby agrees:

First: To pay to the PARTY of the FIRST PART during the year 1907, in equal monthly installments beginning with the month of July, the sum of Five Hundred (500) Dollars; and in addition thereto to pay a further sum of One Hundred (100) Dollars at such times and in such amounts as shall be called for by the General Secretary of THE UNIVERSITY OF CHICAGO ALUMNI ASSOCIATION during the first year:

Second: To pay to the PARTY of the FIRST PART, during the second and third year, in which this contract is in force, such a percentage of the gross receipts from subscribers or from advertisers as shall at least be sufficient to pay the salary of the Editor in Chief and General Secretary, which is now fixed at One Thousand (1000) Dollars per annum, payable in equal monthly installments; and in addition to pay to said General Secretary such sums as are necessary for incidental expenditures in connection with the office of Editor in Chief and General Secretary, such incidental expenses, however, shall not during either said second or third year exceed the sum of Two Hundred (200) Dollars.

Third: To procure advertisements and execute contracts with advertisers, employing for such contracts a form approved by the Board of Control of THE UNIVERSITY OF CHICAGO ALUMNI ASSOCIATION, which form shall stipulate that the advertisements secured are subject to the approval of the said Board of Control of the ALUMNI ASSOCIATION, but before printing any advertisements thus procured said PARTY of the SECOND PART must submit a copy of said proposed advertisement to and secure the approval thereof from the Board of Control of said ALUMNI ASSOCIATION. It is intended by this clause to give the Board of Control power to eliminate from the magazine advertisements which might, either because of the subject matter advertised, the wording of the advertisement or the accompanying illustration, be in its judgment improper for insertion in said magazine.

Fifth: Submit for approval to the Board of Control of THE ALUMNI ASSOCIATION OF THE UNIVERSITY OF CHICAGO a full list of all persons or corporations to whom the PARTY of the SECOND PART desires to send free of cost a copy of said magazine. This list, the Board of Control, may at its discretion, alter by adding names thereto or striking names therefrom.

Sixth: Keep at all times during the life of this contract books of account in which all items of expenditures and receipts are accurately, systematically and promptly entered, such books of account to be subject to the inspection at any time of the Board of Control and to be audited semi-annually by said Board of Control.

Seventh: The annual subscription price of the said THE CHICAGO ALUMNI MAGAZINE shall be two (2) dollars and no subscription shall be accepted for a lesser sum. Any person who is eligible for membership in the ALUMNI ASSOCIATION shall upon the payment of the subscription price of \$2.00 be duly enrolled as a

member in good standing in the said Association.

Eighth: The name of the magazine shall be "THE CHICAGO ALUMNI MAGAZINE" and the size of the magazine, the design of the cover page and the quality of paper, style of type, arrangement of the articles, number and kind of cuts to be inserted and general physical makeup of the magazine, shall be determined by the Board of Control before the first issue of the magazine and shall not be changed without the consent of the Board of Control of THE UNIVERSITY OF CHICAGO ALUMNI ASSOCIATION, which Board alone has the power to alter the magazine in any of the aforesaid particulars.

Ninth: A copy of each issue of THE CHICAGO ALUMNI MAGAZINE shall be promptly mailed, postage prepaid, to each paid subscriber immediately upon the printing thereof and each issue shall be sent out no later than one week after the copy for such issue is approved by the Board of Control.

Tenth: In case the Board of Editors shall fail to present to the Board of Control within five (5) days prior to the day set for the magazine to go to press the requisite copy for such issue of the magazine, the PARTY of the SECOND PART may submit copy to the Board of Control for insertion in the current issue of the magazine in lieu of that to be furnished by the Board of Editors.

Eleventh: The party of the SECOND PART hereby agrees not to sell or assign his rights under this contract without the consent in writing of the Board of Control of the Alumni Association.

Twelfth: The duration of this contract shall be three (3) years from the date hereof and unless renewed in writing by the parties hereto, all rights hereunder shall terminate at that time.

It is expressly understood by and between the parties hereto that the entire ownership and control of the said THE CHICAGO ALUMNI MAGAZINE is vested exclusively in the PARTY of the FIRST PART and all property rights in the said magazine, including

such goodwill, both of subscribers and advertisers as now exists or which may hereafter be created, is now and shall be the exclusive property of the PARTY of the FIRST PART and it is not the intention of the said PARTY of the FIRST PART by anything in this contract contained, or by implication or otherwise, to grant, sell or assign to the PARTY of the SECOND PART, any property interest in said magazine, or in its goodwill, whether created by the securing of subscribers or advertisers, and at the termination of this contract, it is expressly agreed that all interest of the PARTY of the SECOND PART thereafter in said magazine, shall cease and determine.

IN WITNESS whereof the PARTY of the FIRST PART has caused this agreement to be executed by its President the day and year above mentioned and attested by its Secretary, and the PARTY of the SECOND PART has hereunto set his hand and seal.

My dear Mr. Robertson:-

In making up our plans for the next three or four issues I am wondering if you have any suggestions to make as to the emphasis which we should place upon any or all of them. It has occurred to me that the University in its campaign for the Summer Quarter, as far as it has any campaign, would be glad to have the Magazine emphasize certain things which would not only provide good Magazine stuff but would incidently assist the particular effort in which your office or the other offices in the University might be engaged. If there is any cooperation of this sort which would be desirable we should be glad to know of it now, inasmuch as we are getting pretty far along to closing up the content of our issues for some little time ahead.

We are thinking somewhat of suggesting to the Board of Control the advisability of making a student subscription rate of \$1.00. I am wondering what effect this would have if the plan were in operation now and the senior student, who would take his degree at the coming convocation, should subscribe at this rate. Would the fact of his subscription to the Magazine entitle him to active membership in the Association or would the additional dollar be necessary? I doubt the wisdom of varying our subscription rates, but there is the question also of securing a larger number of undergraduates in this way who could not be reached at the \$2.00 price.

I should like to have your suggestions also upon the plan of which I spoke to you some time ago, namely, of getting into touch with the graduating class toward the end of each Quarter for the purposes of soliciting membership in the Association and securing subscriptions to the Magazine. Do you think a mere notice at the chapel meeting or division exercise would be sufficient or would you advise a short talk by myself? I should be very glad to get a few minutes with the upper divisions in the senior classes in each of the various departments and to present the claims of the Association and the Magazine, if there should appear to be no objections in the way. I do not see any myself.

My dear Mr. Robertson:-

We are anxious to develop from among the under-graduates a series of articles, as you suggested quite a long time ago, in the nature of biographical studies and investigations into conditions and problems in the University and the student body. For instance, upon suggestion of certain important members of the faculty, it seems desirable that the Magazine should be used to get at the sound student opinion on various ^{phases} of life in the University. For example, the question of undergraduate honor in examinations, the financial side of student activities, the Reynolds Club as a general social center for men of the University, etc., would afford very interesting fields for analysis and report. I understand that you have a series of questions of this sort and we should like to have them. We are gathering together quite a list of topics of this sort which are worthy of discussion and then we shall endeavor to see if they cannot be arranged in some series order. The next question and perhaps the most important one would be to secure some capable men and women who could be relied upon to handle this ^{work}, judicially.

If possible I should like to have President Judson's opinion as to our scheme in general and any suggestions which he may have either as to subjects or the kind of emphasis which should be insisted upon.

Yours sincerely,

The University of Chicago Alumni Association is now duly incorporated under the laws of Illinois as a corporation not for pecuniary profit and is about to execute a contract with its new General Secretary, Mr. George O. Its physical makeup and the comprehensiveness of the subject matter with which it proposes to deal has, I am informed, been outlined to you by Mr. Robertson from data furnished him by Mr. Fairweather and Mr. Welling. outset to effectually prevent the magazine from being a privately owned and controlled one, I herewith enclose a copy of the contract that will be executed by Mr. Welling. In addition it has been fully explained to Mr. Welling, both by the Executive Committee and the individual officers, just what the status of the magazine will be and his relation to it. As you will observe the contract runs for three years and the Board of Control has large powers. In two places, namely in the preamble and in the final clause of the contract it is expressly stipulated that all property rights are now and shall remain in the Association.

I feel that the Association is very fortunate in procuring Mr. Fairweather as General Secretary and that the success of the magazine will be greatly advanced by the personality of its Editor in Chief. From inquiries I have made among men that know him I am thoroughly satisfied with the character, ability and responsibility of Mr. Welling. He has had several years experience in the solicitation of advertisements and for a couple of years had entire charge of the business management and publication of a high school paper. He assures me that he has the money to publish, without outside aid, the first two issues of the magazine. From that time he expects to be able to continue it easily with the receipts from the advertisers and subscribers.

My term of office as President expires in June. I shall personally stand ready to advance to Mr. Welling the necessary money to keep up to the high standard of the first issue the subsequent issues of the magazine up to and including the June number. In my mind, if the first four or five numbers approach at all near to

If you will see me, I think I can suggest to you a good article for the next issue of the magazine. Mr. Burton is willing to give an interview to the Alumni Magazine on his Oriental investigation, but is a little bit unwilling to advertise himself. However, he has consented to tell us something about the whole venture in which he is engaged. This matter is exceedingly important and should be presented to the Alumni in the proper way. If you care to have me undertake this as my contribution, I should be very glad indeed to do so. Let me know what you think about the whole matter.

I can suggest to you a good article for the next issue of the magazine. Mr. Burton is willing to give an interview to the Alumni Magazine on his Oriental investigation, but is a little bit unwilling to advertise himself. However, he has consented to tell us something about the whole venture in which he is engaged. This matter is exceedingly important and should be presented to the Alumni in the proper way. If you care to have me undertake this as my contribution, I should be very glad indeed to do so. Let me know what you think about the whole matter.

Mr. D. A. Robertson,
Faculty Exchange.

My dear Mr. Robertson:

In the first conference which I had with the President on the matter of Alumni Directory and Records, he proposed certain modifications of the original scheme. These are embodied in the revised plans herewith presented.

As you will note, the changes in the Alumni Directory are largely in the separation of the two ideas of a Bi-ennial Alumni Directory, and a complete and comprehensive General Register to be produced at longer intervals. The General Register, according to the new plan, would take the place of the regular bi-ennial Alumni Directory for the year of its issuance.

As you will also note, 7-- a, d, and ~~e~~ are ~~likewise~~ related; *likewise, 7-- b, c. & f.*

In the matter of Alumni Records I would call your attention to the questions suggested under three. This work requires a close relation to the Recorder's Office, especially during the period of getting it established in the first instance. Accordingly, it is important that

I would urge your attention to 3--c. I am especially anxious to extend the new Magazine, and to more than justify the University's reliance upon our merger plan. Inasmuch as letters to the Alumni will be sent out anyway, it seems to me very important that they be distributed as soon as possible, and that some circular in promotion of the New Magazine be ~~answered~~ ^{included} in the same letter. This, I believe, would produce very favorable results at a very small expense, and would be probably the most timely thing we could do in the way of extensive and effective promotion in our own special field. Accordingly, I hope that some ^{early} action may be taken by the University on these matters.

I have been working up the elements of cost and the method which might be used in gathering this data and digesting it, and shall be glad to submit them, if desired, whenever the plans proposed come up for discussion.

Yours sincerely,

George O. Fairweather.

Concerning the records of non-graduates, Mr. Vincent suggests the use of a card catalogue of all matriculates as a temporary file, and then transferring them into a permanent record, when they have been in residence a certain number of quarters, say about eight quarters; and

Dear Sir:-

Having learned that the University of Chicago Alumni Magazine is about to be merged with the University Record, I take this means of informing you that I have a claim against the Alumni Magazine of \$68.00 for printing the August and September numbers of last year.

In an interview with Mr. Ben Wilk last January, he informed me that he was considering succeeding Mr. Harvey Welling as business Manager of the Magazine. I informed him then of my claim, also writing Mr. Welling and the Association, through Mr. Fairweather, its Secretary and Editor, enclosing a statement of the above amount. Mr. Welling did not answer my letter, but Mr. Fairweather replied stating that my claim was against Mr. Welling and that the Association was in no way responsible. I replied to Mr. Fairweather that as the Association were the publishers, I considered my dealings with Mr. Welling only as the Association's representative, and was then referred by him to Mr. Percy B. Eckhart, 1340 First National Bank Bldg., this city. I then wrote to Mr. Eckhart enclosing my correspondence with Mr. Fairweather, and he replied reiterating Mr. Fairweather's position, but stating that Mr. Welling had left several advertising contracts, which would more than cover his indebtedness and that as soon as Mr. Wilk got the Magazine on a paying basis, I could expect a settlement.

About two months ago I called Mr. Wilk's attention to the above statement. He replied that Mr. Eckhart had not called his attention to those contracts, and, therefore, he was not sure but what Mr. Welling had already collected them, but would take up the matter with Mr. Eckhart, and if there were any moneys to be collected he would see that I got it.

This matter has been pending for over a year, and I do not think the Association has made any effort whatever to settle it. I take it that the Association is morally as well as legally

My dear Mr. Judson:

I enclose a letter from Mr. Fairweather dealing with the Peterson claim. This seems to be a perfectly clear case and we need, I think, to give no further thought to it so far as our obligations are concerned.

If there had been any misunderstanding on the printer's part as to the responsibility for these bills, the University might have a moral obligation, but in the circumstances, I cannot see that even that rests upon us.

My dear Mr. Vincent:-

Regarding the enclosed letter, Mr. Peterson understands perfectly well that he has no claim against the Alumni Association. Mr. Peterson has understood all along the relation which Mr. Welling sustained to the publication.

You will note his guarded statement that he was "led to believe by both the students and faculty members" that the Magazine had the backing of the Association. I, personally, was in touch with Mr. Peterson in urging copy through his printing office, and he distinctly understood that his negotiations were entirely with Mr. Welling in his personal capacity.

He understood my connection both with the Magazine and the Association, and refused to regard any of my requests which did not have the approval of Mr. Welling, showing conclusively that he looked entirely to him. Mr. Welling's bills ran for several months before the fact of his indebtedness was even suggested to me, and whatever credit understanding was entered into was entirely between Mr. Welling and Mr. Peterson.

Dean G. E. Vincent. #2.

I am perfectly sure that Mr. Peterson was neither misled by any statements or conduct upon which he, as a reasonable man, had a right to rely. It is possible that Mr. Welling may have acted beyond the scope of his authority in subjecting the credit of the Association to Mr. Peterson; but again, Mr. Peterson had no right to rely upon such credit, inasmuch as the Association is incorporated as an organization not for profit, and as a business matter it was up to Mr. Peterson to investigate the source and nature of Mr. Welling's assumed grant of authority.

Further more, it is not even tenable that Mr. Peterson was misled by Mr. Welling's acting, within the apparent scope of his authority. If this had been the case, Mr. Peterson's conduct would have been different. He would have approached the officers of the Alumni Association much earlier than he did; he would not have acted as if he were relying entirely upon Mr. Welling; and his own laches in the matter are thus very suspicious.

If I may add another word concerning the impetus behind this whole matter, I would say that Mr. Peterson, as his stationery indicates, is the successor to George G. Currier & Company. Mr. Currier is the father-in-law of Mr. F. W. Shenk, Law Librarian. Mr. Peterson is ^{or recently was} still indebted to Mr. Currier on the purchase of this printing business,

and Mr. Shenk has been busying himself in the collection of this claim. I believe that Mr. Peterson understands the matter as above indicated, but, owing to Mr. Shenk's persistence in the matter, he has now gone so far as to appeal to the President.

I should be very glad indeed to meet with either Mr. Peterson or Mr. Shenk, and explain these matters further if you so advise. I am prepared to show Mr. Peterson the unsoundness of his claim in this regard.

Dear Mr Linn,

I am enclosing copy of a letter just received from Dr Henderson. It is a significant and interesting communication from China. I wonder if we have room to print it in full. The President would be very much pleased if we can find space for it. I am sure, moreover, that the general body of Alumni will be gratified to know that the position which was formerly held by Dartmouth, Amherst, Yale and Harvard in the progress of China seems to be passing to the University of Chicago. Why not write one of your spicy editorials on the subject?
