University of Chicago,
Chicago, Ill.

Dear Sir:

We are taking the liberty of sending you, under separate cover, a copy of Hermann Fernau's book "Because I am a German".

This work is an appeal for liberty and justice, and the development of social and intellectual life, which is openly and dangerously threatened by Germany at the present moment. So full of conviction and seriousness is this statement against "Prussianism" that three weeks after publication in Germany, every copy of the work was confiscated by the police, and its sale forbidden under the heaviest penalties.

The author in writing to the publisher says "I am neither a Pole nor a Jew, but I have written this book just because I am a German".

If it should be your pleasure to give us your opinion of this remarkable book we shall deeply appreciate it.

Respectfully yours,

E. P. DUTTON & COMPANY
