Office of the Auditor

January 12, 1925.

My dear Dr. Butler:

I have a request from Mr. Charles J. Chamberlain of the University of Chicago Rifle Club to pay to the treasurer of that organization \$100., same being one-half of the amount appropriated by the President for the current fiscal year. I have no record of having received this designation of the President's Fund from your office. Will you kindly advise me? Apparently Mr. Gale has been advised that this appropriation would be made.

Yours very truly,

W. C. Plimpton

My dear Mr. Chamberlain:

I recall that sometimes ago Dr. Butler wrote you asking if you had been officially promised an appropriation from the President's Fund for the use of the Rifle Club. In his absence from the city I am unable to secure your reply. Will you be good enough to inform me in this regard at your early convenience?

Very truly yours,

Secretary to Dr. Butler.

My dear Mr. Chamberlain:

Apparently there has been some misunderstanding regarding the appropriation from the President's Fund for the use of the Rifle Club. This office is of the opinion that the appropriation was to be discontinued, and we have no official record to the contrary. However, inasmuch as Dean Gale is of the impression -- and has conveyed that impression to you -- that \$200.00 had been so designated, we are glad to authorize the payment of \$200.00 to the Rifle Club with the understanding that no appropriation from the President's Fund will be made to the Rifle Club after this year.

Regretting our delay and misunderstanding in this connection, I am

*Dear Dr. Gale: We have not yet received a cent of the \$200. Will you tell the auditor's office that it was officially promised? I have no letter from the President, but when Mr. Wiles promised to furnish the second \$200, you remember you told us to go ahead.*

My dear President Burton:

A letter from Mr. Gale under date of July 3 indicates that Mr. Russell Wiles undertakes to meet any deficit which the Rifle Club may incur next year up to the sum of \$200., and further, that you have arranged to contribute to the Club from the President's Fund the sum of \$200. I assume Mr. Wiles' offer is applicable after the exhaustion of the \$200. to be provided from the President's Fund. If that sum should be contributed by the President's Fund, will you please approve this letter and return it to me as my authority?

My dear Mr. Plimpton:

A week or more ago, upon President Burton's authority, I advised you that \$200. was to be appropriated from the President's fund for the use of the Rifle Club, that being the total appropriation contemplated from that source for the year 1924-25. Your letter of July 7th would indicate that you did not receive the other letter. Will you consider this communication sufficient authority to close this matter?

Truly yours,

Mr. N. C. Plimpton.
