ask that you officially recognize us as the University of Chicago chapter of the Delta Sigma Phi Fraternity.

Our purpose is to maintain a fraternity, which will not exclude any one on account of his religion.

The Delta Sigma Phi is a powerful national organization, which admits to its membership men of all creeds. Its reputation is absolutely unsullied and is as far reaching as a membership of about 1000 could make it. It is listed in Baird's American Manual of College Fraternities and in similar reference works. The number of chapters is eight and they are located as follows: College of the City of New York, Columbia, New York University, Cornell, University of Texas, Trinity University Alabama Polytechnic Institute and Washington and Lee University. The fraternity is about to enter the University of Virginia, Waynesburg College, Pa. and the University of Kansas.

The ~~fraternity~~ ¹⁹⁰¹ was organized in ~~1910~~ at the College of the City of New York. It is therefore a comparatively young organization.

The fraternity was organized in 1899 at the College of the
City of New York. It is therefore a comparatively young organization.

But there are a number of prominent members of the fraternity. Some of the members are:- Prof. Wm. E. Waters, formerly President of Wells' College and now Dean and Professor of Greek at New York University; Arvid D. Anderson, Registrar of the College of the City of New York, Wm. B. Guthrie, Professor of Economics at the same institution, well known speaker and authority; Dr. E. E. Esterbrook, Ass't. Professor of Chemistry at the same institution and Mr. I. J. Seeling, head engineer of McHarg, Barton & Co. of New York.

At Texas University, Trinity and at the College of the City of New York, the chapters of the Delta Sigma Phi are the leading chapters at the respective institutions.

.....

On Tuesday, Nov. 22nd., a delegation of our group visited President Judson. They explained to him that we have been negotiating for the past eight months with the Delta Sigma Phi fraternity and that we have been granted a charter by them. They told him that we were only awaiting official recognition before we would send for our charter, our pins and to lease a fraternity house.

President Judson not only appreciated our liberal movement, but he also promised us his individual support and the support of the faculty. In his official capacity, he promised us recognition as a part of the University and told us to proceed with the good work.

We have taken the final steps and are now awaiting official recognition by your body.

Trusting that you will help the good cause by taking immediate action, we desire to remain,

The University of Chicago Chapter of the Delta Sigma Phi.

My dear Mr. Thompson::

Your communication

Gamma Chi chapter of Alpha Tau Omega have been granted official
recognition as members of the Alpha Omega Club.

Perhaps the above explanation will be satisfactory. In case
it is not, advise me and I will act in accordance with the
regulation.

Pres. W. R. Harper,
The University of Chicago,
dear Sir:

(64)

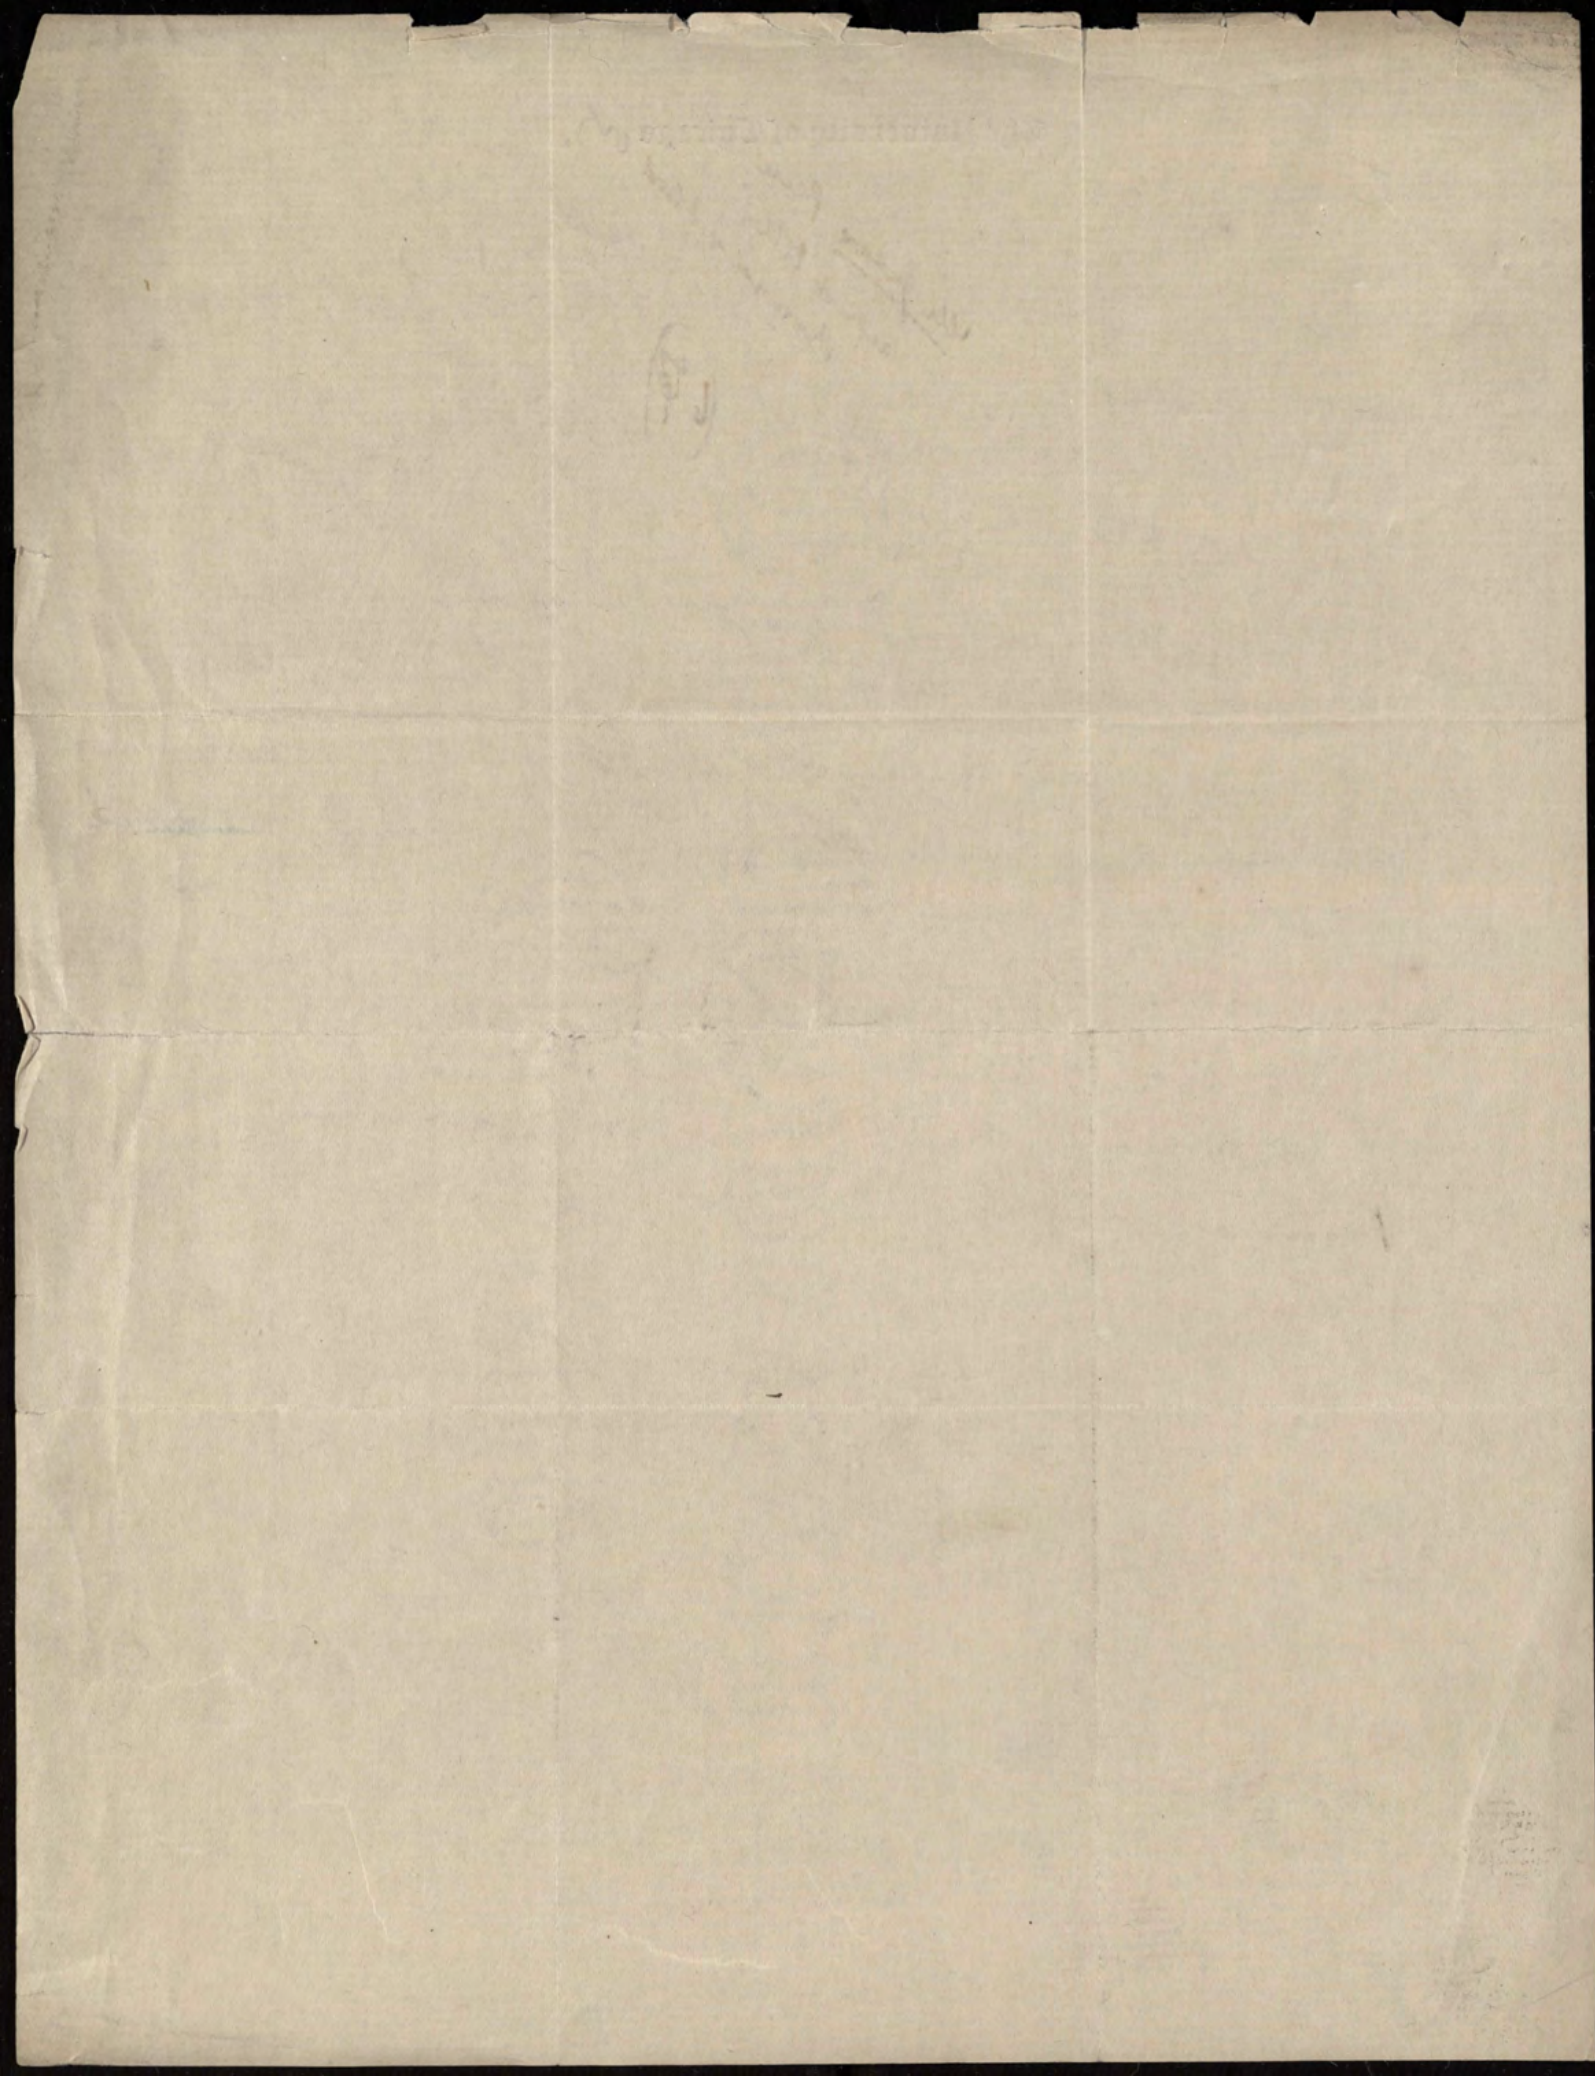

I beg leave to inform you that
the University of Chicago chapter of Sigma Nu
Fraternity has surrendered its charter and severed
all connection with the general fraternity being
now a local club having no connection with
any fraternity, and known as Q. V.

The active members are Hagey, Smith, Gallagher,
Collins, Clark, Reed, Allen, Crewdson, Fair, Peck,
Sawyer, Rogers. The club-rooms are 5744
Monroe Av.

Very truly yours

R. D. Rogers

Recorder Q. V.

The University of Chicago

Mr. G. S. Goodspeed,

The
Gordon.

Dear Sir: -

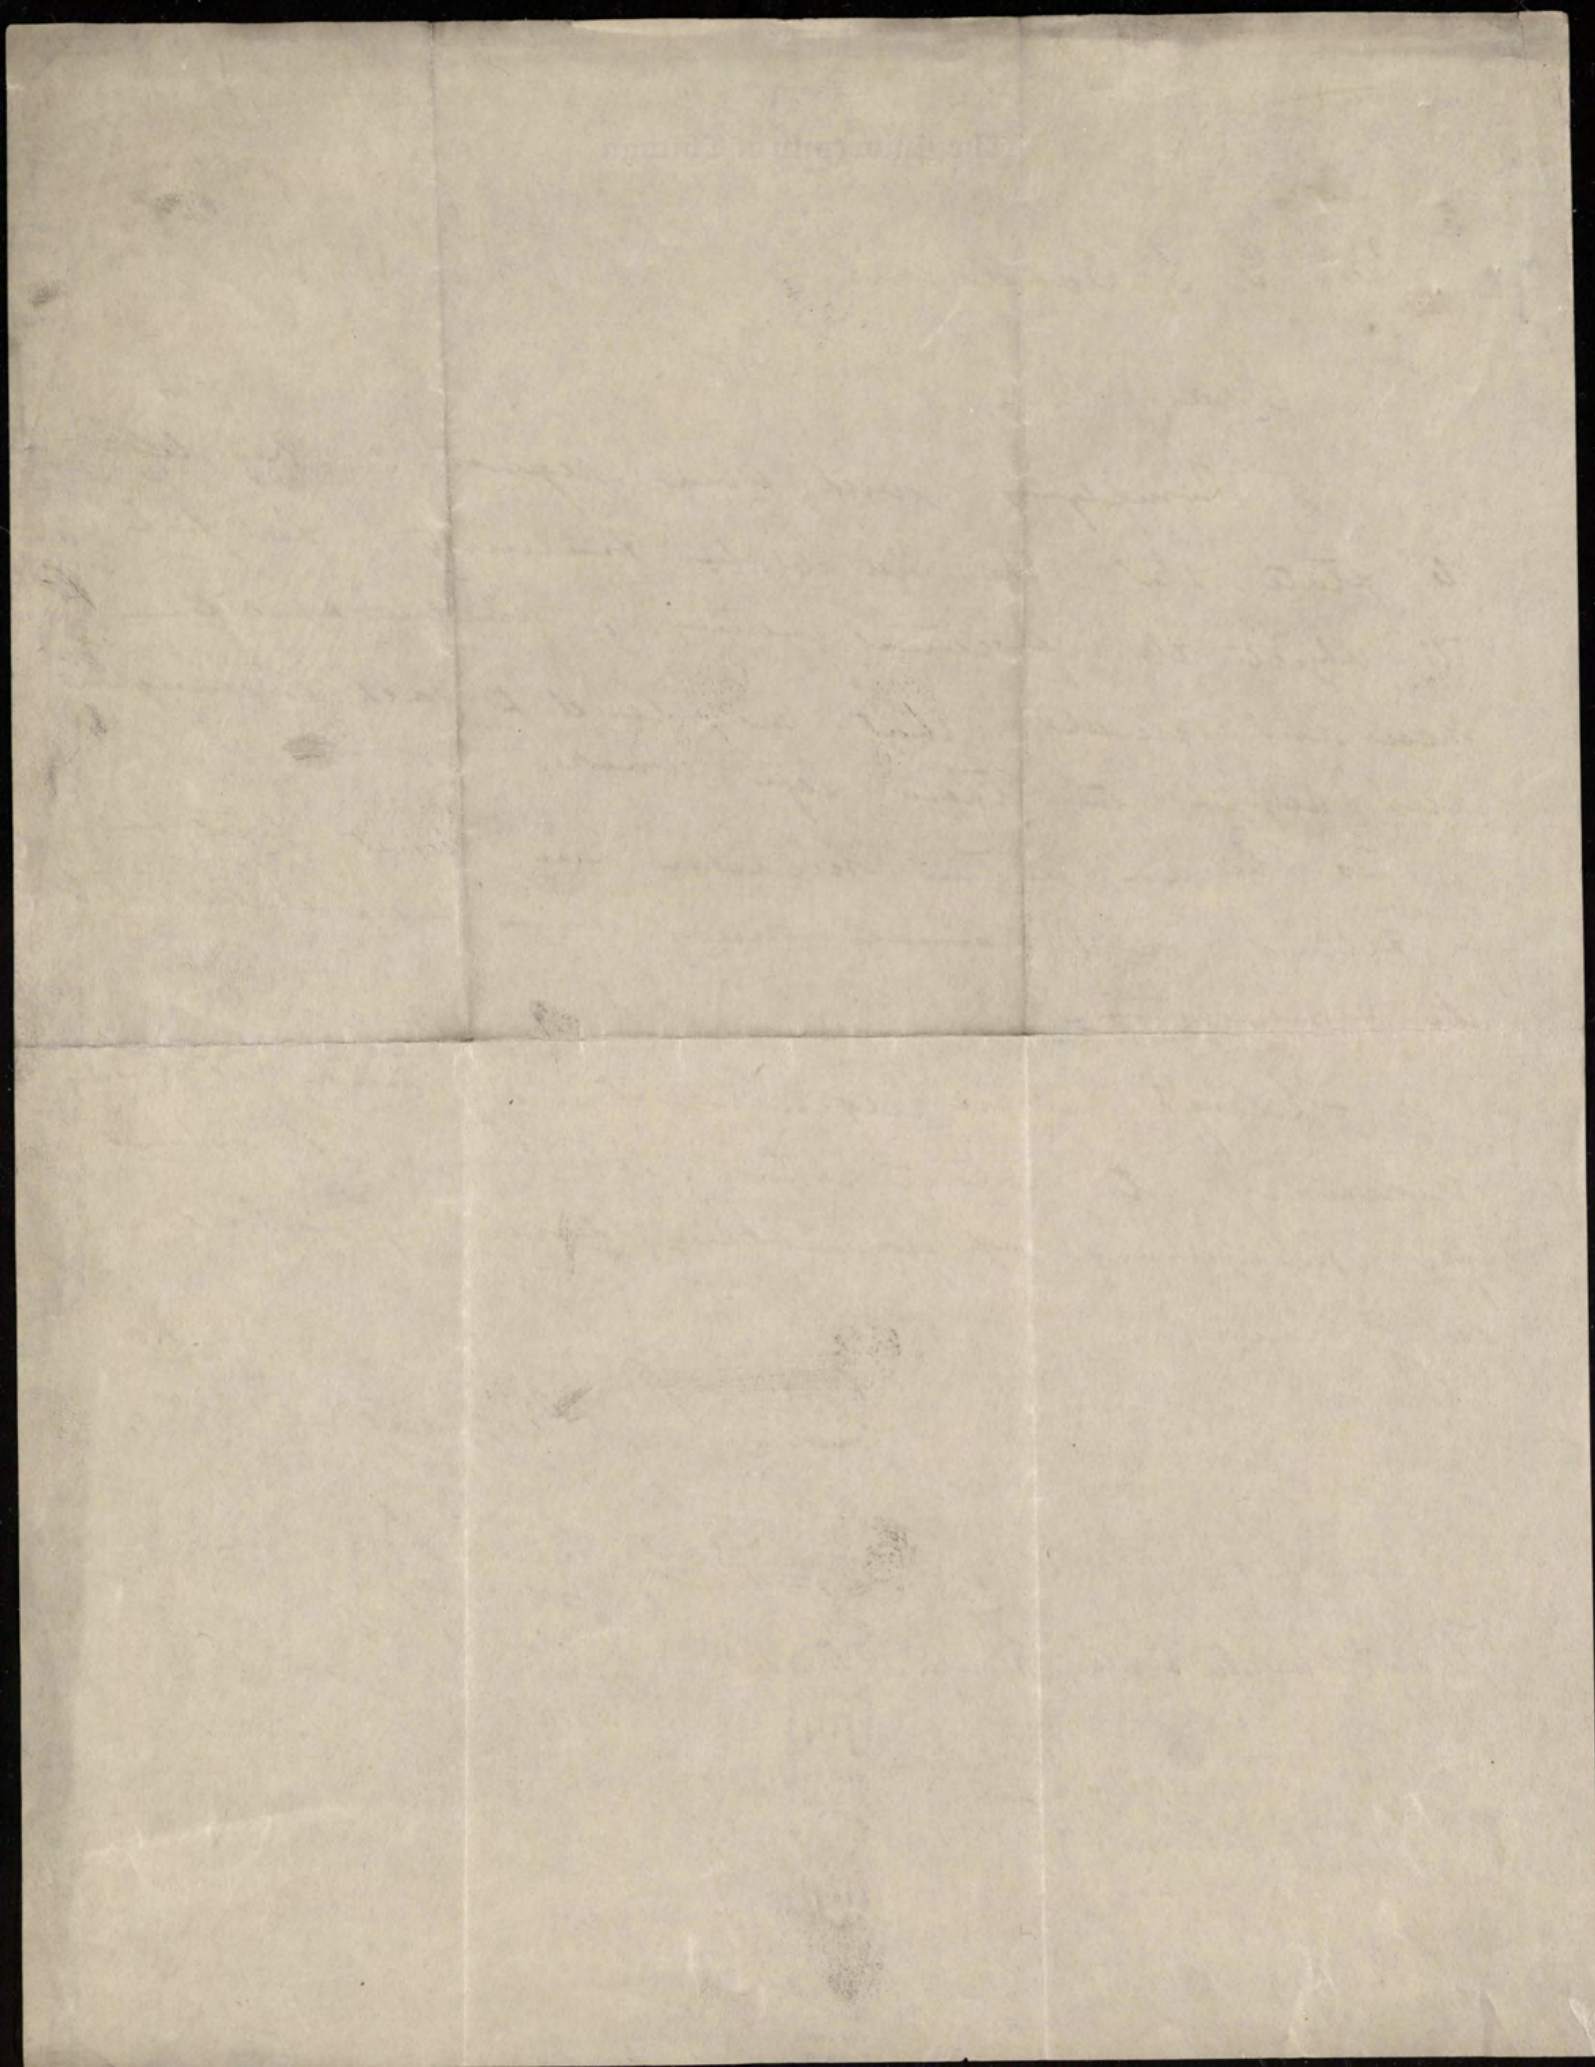

Complying with your request I beg leave to state that the Nu Alpha Fraternity has for its objects the fraternal gathering of kindred spirits - men and minds that may lend to each encouragement and support in their life work.

To be an active member one must first be a "Fellow" and secondly must have been elected into the organization.

Though you requested it, I think it hardly necessary to state that we are not organized for purposes of gambling, drinking, and debauchery in general.

Yours Very Respectfully
Fritz Reichmann
Pres. N.A.

March, twenty-sixth, Nineteen-hundred.
