My dear St. Asaph

I was glad to hear from you and to know that you were coming to New York soon. I have had a call from Mr. Graham, President of the Eastern Alumni Association and have been invited to attend the banquet. As it is to be "ladies night," I suppose it will be perfectly proper for me to accept.

It was my good of you to

speaks of me to Mr. Russell.
I have not yet heard from
him, but am living in hopes
to do so. Do you think it
would be well for me to
go and see him, or shall
I wait? It would be very
pleasant indeed to turn work
so much like my old work.

I suppose you are getting ready
for Convocation, and next
quarter is your vacation. I am
wondering how you are going
to spend it. Why not come
to New York and work on

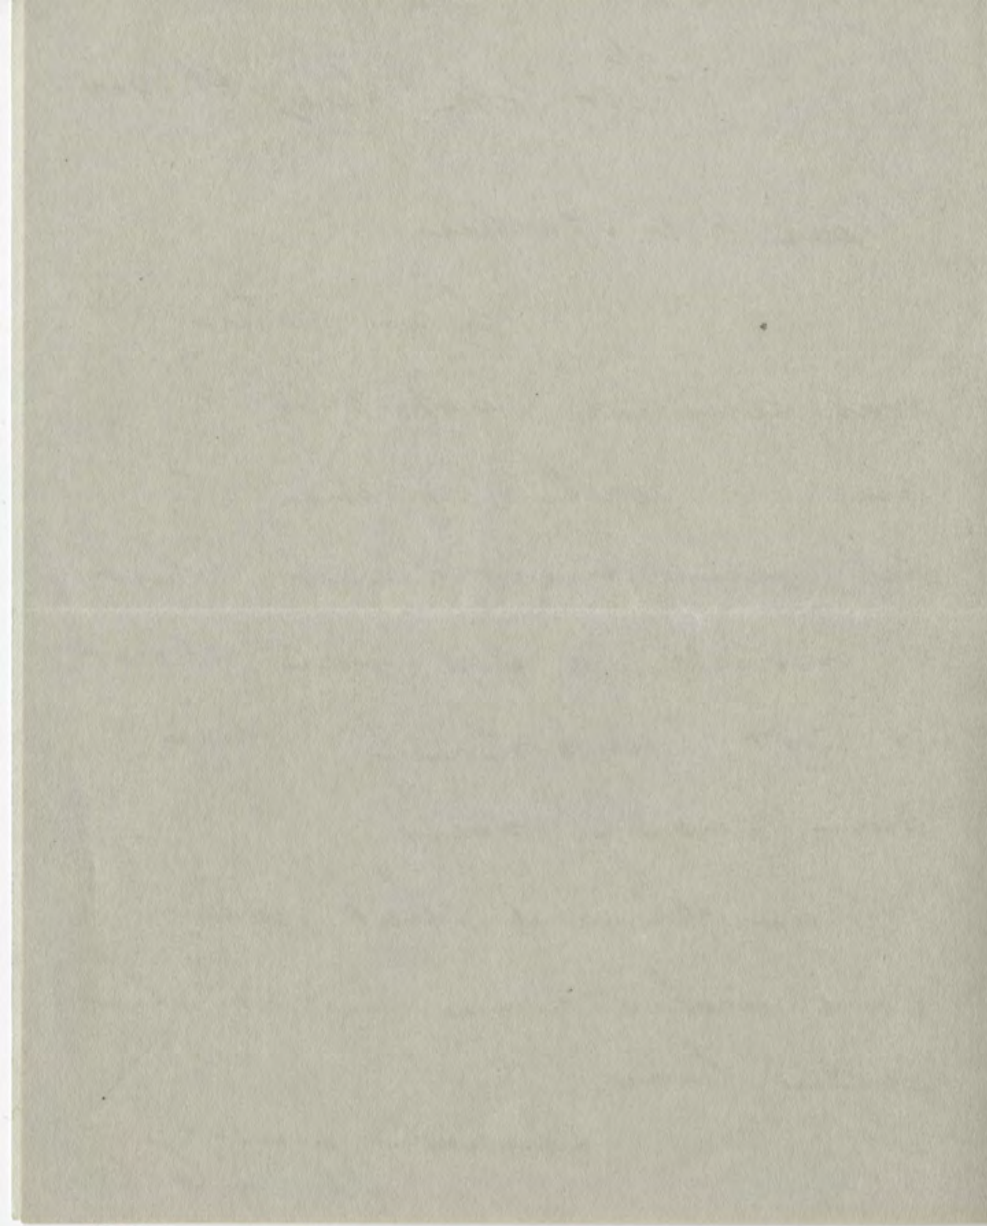

New York. Aug. 1st. 1900.

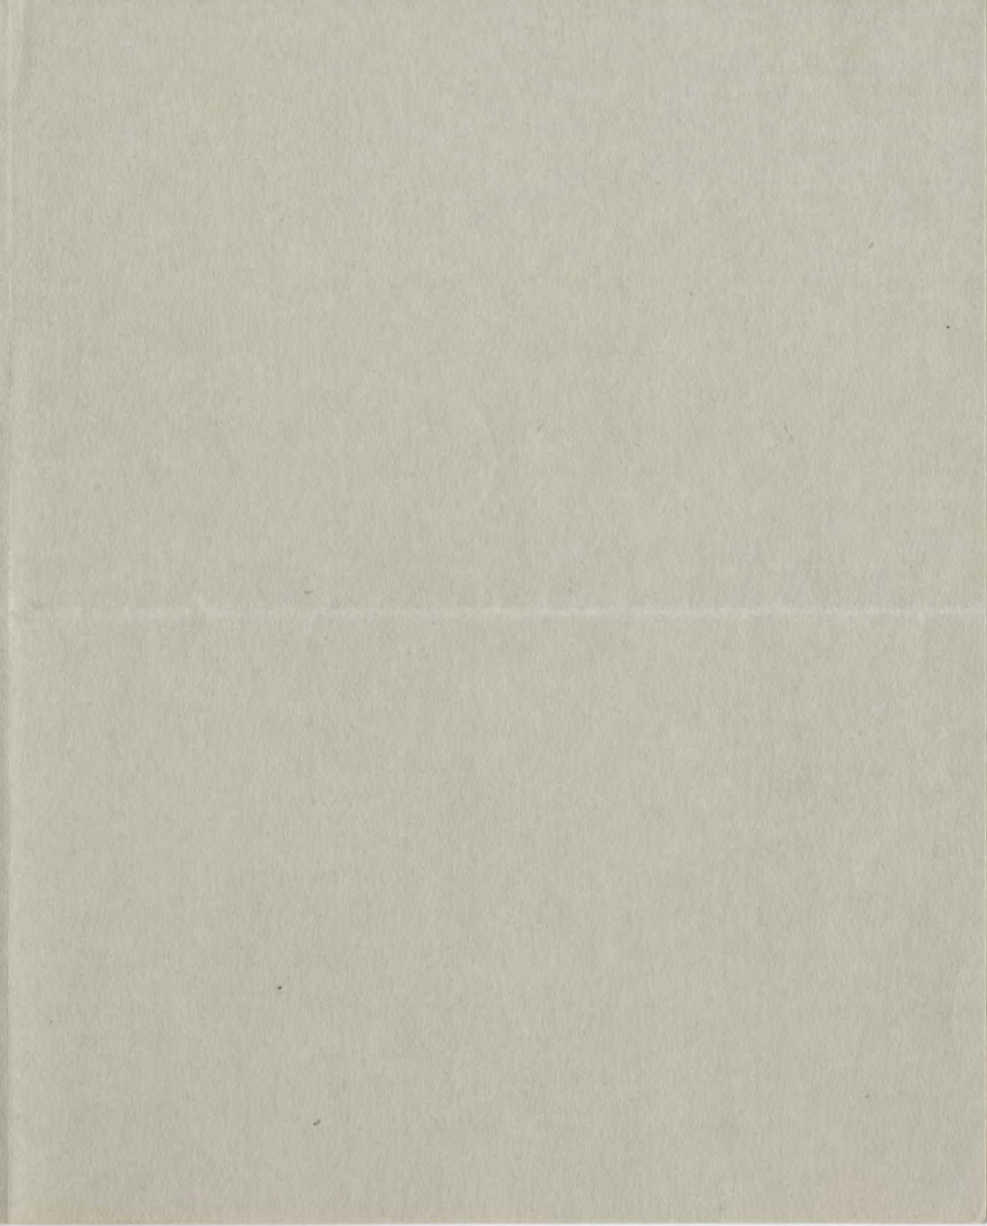

Mr. Harper.

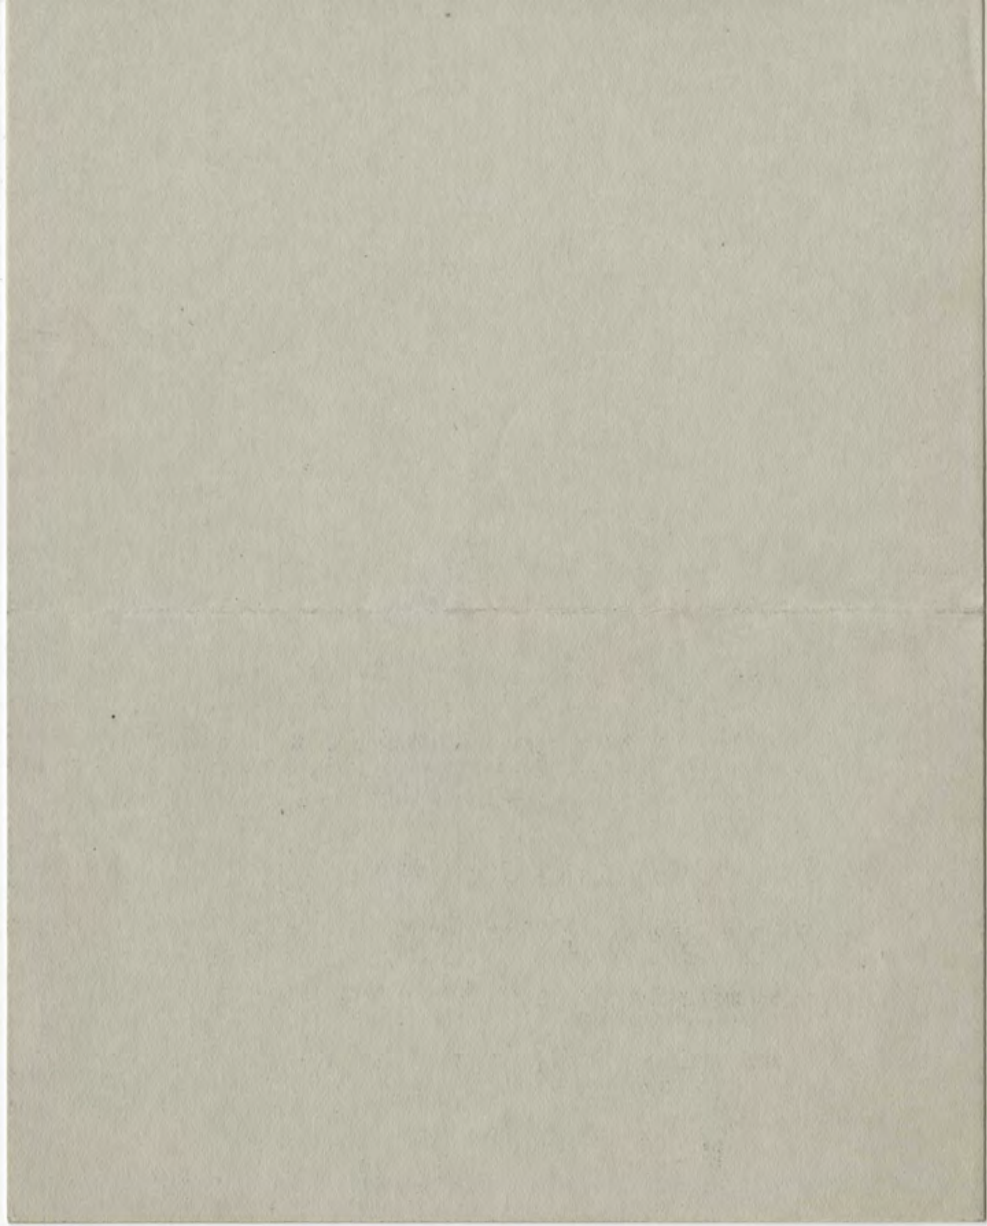

Your letter
was received last night.
and I write at once to
let you know that what
I wished to see you about
is not "important" but
can easily wait.

Am pleased that my
good wishes came in at the
proper time.

Sincerely yours.
Wm. Brewster Cobb.

your book and I will come
and help you &

Mr. Hubbard did not
enclose the letter to Mr.
Rice, but it is possible that
he may have sent it directly
to him.

Take good care of
yourself.

Sincerely yours

Mary Anna Cobb.

Miss M. Rena Cobb,

White Plains, New York.

My dear Miss Cobb:

Your letter of July twenty-fourth was received yesterday. You are very kind to think of my birthday, and while you were not able to think of the exact date your letter and your best wishes came on exactly the right day, Julytwenty-sixth.

I note what you say concerning your brother, and assure you that we will permit him to take just those subjects in which he is deficient. He will not be required to take the regular course. I appreciate the importance of his being able to shorten the time, and believe that it is important not only in his case, but in all cases.

I shall not be in New York before September first. If the matter concerning which you wish to see me is important, perhaps you would better communicate it to me before that time. You can at all events indicate whether it is important.

I have been talking
of brother about returning
again Park to finish his
anatomy work. He thinks
would not be permitted to
take only three subjects in which
he is deficient, but would be
required to take the regular
course. I know just about
what you will say, and will
abide by your judgment always
in this matter, but you know
how important it is for him to

and in that way shorten the time.

May I ask when you are to be in New York? and if you are not to be too busy. I would like to see you for a few minutes.

I think you have a birthday anniversary this morn. don't you? I thought I had the exact date and would be able to send you greetings, but I cannot find it and think I must have left it in my desk at Chicago. But I send my best wishes any way for I know it will be soon.

Please remember me to all the family, and tell Donald I will answer his nice little letter very soon. and to watch for the expressman about the first of the month.

Very sincerely yours -

Mary Anna Cobb.

finish his work.

He is very enthusiastic on the prospect of going back to Morgan Park, and I am particularly anxious to have him go. For I think he will do much better work away from home, and when once he gets away, he will remain until he has completed his course.

Perhaps it would be better after all for him to take the regular course. He could work part if not all the summer

Dear Mr. Harper.

It seems a long
time ago since the Saturday
morning when I telephoned
you a "goodbye". I
think it would have been
too much for me if I
had come to the office.
So I hope you will not
think that it was
indifference.

It seems very strange

When I realize that it
will be a long time before
I shall see Chicago again
I am making an effort
to secure a position here
and a letter from you
would be of great service
to me. You may send
such a letter to me or
directly to Mr. A. C. Rose
& Myckeff, Seamans &
Benedict, 327 Broadway.
New York.

I know how much you
dislike writing letters of

this post. and I am
sorry to have to ask you
for it.

We have had no snow
here, and it begins to
feel very much like
Spring.

With best wishes, and
many thanks for the
letter you will write for
me. I am

Sincerely yours.
