ENCLOSURES.

Dutch Consulate

Consulate General of the Netherlands.

CHICAGO, May 22nd, 1911.

Dr. Harry Pratt Judson,

Pres. University of Chicago, City.

Dear Sir:-

We take the liberty to bring the following to your kind attention. You are aware that a movement was started sometime ago to establish a Chair of Dutch History, Art, Literature and Language at the University of Chicago and various societies and persons through the States of Illinois and Michigan have been working to accomplish this object, and to meet the requirements of the University as we understand it in regard to the establishment of this Chair.

Sometime ago the enclosed letter was sent to the members of the Holland Society in Chicago and met with a very generous response so that through the efforts of the members of the Holland Society and kindred associations, both here and in Michigan, the required amount of $2000 will be ready to be handed over to the University of Chicago whenever this amount is required. The undersigned, having been appointed as trustees for this fund, take the liberty to ask you to bring this matter before the Board of Directors of the University of Chicago in order that it take such action in the premises as it deems fit and ask you to inform us what action has been taken and what is required of us to do in order to meet the desires of the Board of Directors.

Thanking you in advance for any trouble you may take in this matter, we remain,

Respectfully yours, Geo. Birkhoff
