Hon. Charles S. Deneen,
Springfield, Illinois.

My dear Sir:

Some weeks ago you were good enough to say that if I would communicate with you when the legislature adjourned you might be able to arrange to accept an invitation of the University. In accordance with this kindness on your part, may I say that the Reynolds Club is planning to hold a dinner and smoker Saturday evening, June 3rd, and we all hope that at this time our long cherished desire to greet you at the University may be realized. Saturday afternoon on Marshall Field the inter-collegiate track meet which is the greatest athletic spring event in the West will occur and if you can spare the time we should like very much to entertain you at this contest before the dinner. You do not need to be told that there will be interesting sport. If, however, your time is limited we hope that at all events you can be with us for the dinner and the evening.

57 The Reynolds Club held a meeting of this kind in April at which Mr. McCutcheon was the chief guest and the occasion was a most successful one. This coming Saturday Mr. Richard Little, the war correspondent, will be present and speak to us. Again

we look forward to an interesting occasion. But we all feel that our highest expectations cannot be realized unless the season can be closed with a visit from you. The President seconds me in this invitation and indeed do all the men of the University.

Yours very truly,

My dear sir:-

Your letter of the 23rd inst., is received. It would please me very much to have an opportunity to meet the members of the Reynolds Club, as per your invitation, some time between this date and the middle of June. It will be very likely that I cannot make an appointment with you until some time after the legislature shall have adjourned and shall be pleased to do so if my duties here will permit. It would be difficult for anyone to appreciate the enormous amount of work which is involved in my duties during the session of the legislature. Because of such work I have refrained from making any engagements which would call for any preparation on my part.

If you will communicate with me about the time the legislature adjourns, I shall be pleased to take the matter up and hope to be able to accept your invitation. With regards, I am,

Yours truly,
Mr. Henry P. Chandler,
University of Chicago,
Chicago, Illinois.

My dear Sir:-

Your letter of the 19th inst. is at hand.
I am exceedingly careful regarding the letters which
I write. I have no doubt that you are well qualified
for the position which you seek. I suggest, therefore,
that you have Dr. Judson write me a letter. I shall
then frame a letter to Governor Wilson, based upon Dr.
Judson's recommendation.

Yours truly,
