GENERAL FACULTY DINNER.

At Hutchinson Hall Thursday evening, October 1, one hundred and twenty eight members of the Faculty met at dinner to exchange stories of summer experiences, discuss plans for the work of the new year and become acquainted with the new members of the Faculty. There seemed to be a general desire to establish the General Faculty Dinner as an annual affair.

At the high table of the Commons were the speakers of the evening: Mr. E. T. Merrill, newly appointed Professor of Latin, "Greeting from the Atlantic Coast"; Mr. Ernst Daemell, of the University of Kiel, appointed by the Prussian Government to lecture in the University of Chicago during the autumn quarter under an arrangement whereby Mr. John M. Manly will lecture during the winter at the University of Göttingen in exchange, "Greetings from Germany"; Mr. J. R. Angell, newly appointed Dean of the Senior Colleges, "A Brand from the Burning"; Mr. H. A. Bigelow, of the Law School, after a year's leave of absence, "Mental Healing"; Mr. Carl Clemen, of the University of Bonn, offering a course in the Divinity School during the autumn quarter, "Greetings from Bonn"; Mr. J. L. Laughlin, who, with Mr. Michelson, will go to South America for the Pan-American Scientific Congress, and is Chairman of the Alice Freeman Palmer Chimes Committee, "The Defense of the Chimes"; Mr. Julius Stieglitz, who during the winter will lecture at the University of California, "A Lecture Trip to California"; Mr. Thomas Allan Hoben, lately pastor of the First Baptist Church, Detroit,

Michigan, and newly appointed Professor of Homiletics in the University of Chicago, "Theological Greetings"; Mr. James A. Field, who comes from the staff of Harvard University to join that of the University of Chicago in the Department of Political Economy, "From Harvard to Chicago"; Mr. E. H. Moore, Head of the Department of Mathematics, just returned from the International Mathematical Congress in Rome, "Greetings from Europe"; Mr. W. D. MacClintock who, with Professor Starr, has been lecturing at Institutes conducted by the Department of Education in the Philippine Islands, "Pacification of the Philippines;" Mr. C. E. Merriam, who is now acting as Secretary of the Harbor Commission for the City of Chicago, "Working for the City"; Mr. J. W. Linn, newly appointed Dean in the Junior Colleges, who during the last year has been with the Youth's Companion, "From Boston to Chicago"; Mr. Henry G. Gale, newly appointed Dean in the Junior Colleges, and interested in the astrophysical work conducted at Mt. Wilson, "Astrophysics in California"; Mr. H. T. Ricketts, whose work in Rocky Mountain Fever recently gained for him the medal of the American Medical Association, "Winning Medals"; Mr. H. E. Slaughter, "The Privilege of teaching"; Mr. Frederick D. Brant hall, who has been during the last year Legislative Reference Librarian for the State of New York, "The Return from New York"; Dr. Walther Wever, Imperial German Consul in Chicago.

Michigan, and newly appointed Professor of Homiletics in the University of Chicago, "Theological Greetings"; Mr. James A. Field, who comes from the staff of Harvard University to join that of the University of Chicago in the Department of Political Economy, "From Harvard to Chicago"; Mr. E. H. Moore, Head of the Department of Mathematics, just returned from the International Mathematical Congress in Rome, "Greetings from Europe"; Mr. W. D. Linn, newly appointed Dean in the Junior Colleges, who during the last year has been with the Youth's Companion, "From Boston to Chicago"; Mr. Henry G. Gale, newly appointed Dean in the Junior Colleges, and interested in the astrophysical work conducted at Mt. Wilson, "Astrophysics in California"; Mr. H. T. Rickerts, whose work in Rocky Mountain Fever recently gained for him the medal of the American Medical Association, "Winning Medals"; Mr. H. E. Shaught, "The Privilege of teaching"; Mr. Frederick D. Brown, who has been during the last year Legislative Reference Librarian for the State of New York, "The Return from New York"; Dr. Walter Weyer, Imperial German Consul in Chicago.

The President in his remarks spoke of the interesting character of the summer quarter of 1908, calling attention to the total registration for the quarter, 2,991, and to the large number of graduate students, 1,036. He then read the list of new appointments to the Faculties, a list which appears in another place in this number. Finally, he spoke of what in a general way he termed "University Extension", the ways whereby the influence of the University is permeating the world. The list of speakers will indicate the extent to which the members of the University Faculties are engaged in co-operation with other educational institutions. The President spoke particularly of the significance of the presence of Professors Daenell and Clemen. For the establishment of cordial relations between the German Universities and the University of Chicago, great credit is due the Imperial German Consul in Chicago, Dr. Walther Wever.
