Dear Prof. Robertson:

You will no doubt remember that Mr. Crane had last year confirmed his wish to have the Armenian work continued at the University for five years. Information to that effect reached me through his attorneys here and the same was also communicated to you. The fact that I was asked after that to send my courses and lectures topics for announcement in the Circular for the Summer Quarter, was a prove that the authorities at the University had agreed to that arrangement.

Now I do not know if the continuance of my work there during the next Summer Quarter is assumed or I must be notified by one in authority there, perhaps you. This is a technical point about which I would like to have your good advice.

If I am expected there for the Summer on the Crane Foundation, I would like to know very soon so that I might complete my arrangements with the church.

With best wishes to you from Mrs. Bedikian and myself,

Yours very sincerely

OFFICE OF THE DEAN

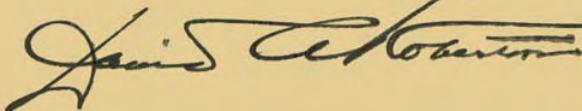

January 10, 1922.

President Harry Pratt Judson,  
The University of Chicago,  
Faculty Exchange.

My dear President Judson:

I am forwarding the enclosed letter from Reverend A. A. Bedikian who has been giving the courses in Armenian during the Summer quarter. On Saturday at the University Club, I asked Mr. Charles R. Crane about his intentions with regard to the Armenian work in the University of Chicago. He said he had undertaken to carry the work for five years and that it could go on this year. You will desire to write to Mr. Crane's attorneys regarding the matter. In the meantime, I have informed Mr. Breasted that Mr. Bedikian may be available for summer quarter courses as last year.

Very truly yours,

Dean.

My dear President Judson:

I beg to inclose herewith correspondence with respect to Mr. Crane's subscription for instruction in the Armenian Language and Institutions given in the Summer Quarter of 1921 by Mr. A. A. Bedikian. At your verbal request I wrote to Messrs. Glover & Washburn on November 7 and received from them on November 28 the amount due for the Summer Quarter of 1921. This arrangement was reported to the Board of Trustees in January 1921.

Please return the correspondence when it has served your purpose.

My dear President Judson:

The Friendship Fund, Inc. has voted to continue the Armenian work at the University of Chicago for the coming summer, upon the recommendation of Mr. Charles R. Crane. The pledges of the Friendship Fund are not usually made for more than a year in advance, but if for any reason you require an authorization for a period beyond next summer at this time, if you will let me know I will have the matter taken up at the next meeting of the Friendship Fund.

Yours very truly,

THE UNIVERSITY OF CHICAGO

STATEMENT OF  
THE HASKELL LECTURES

There is given in the following pages a history of the endowment fund for the Haskell Lectures, the gift of Mrs. Caroline E. Haskell.

"Chicago, May 5, 1894.

President William R. Harper, D. D.

My dear Sir:

Letter  
of Gift

I have been informed that Professor G. S. Goodspeed, and others, associated with the University of Chicago, have expressed the earnest hope that the friends of the University, recognizing the great interest aroused by the Parliament of Religions, would endow a Lectureship on the Relations of Christianity to the Other Faiths of the World. I take pleasure in now offering to the Trustees of the University of Chicago the sum of Twenty Thousand Dollars, to establish and perpetuate a Lectureship of Comparative Religion, by which at least six lectures shall be delivered annually, before the students, teachers, and friends of the University, under such conditions and specifications as shall be determined by Professor G. S. Goodspeed and yourself.

I am in hearty agreement with the conviction that the immense interest awakened by the wonderful Parliament of Religions held in Chicago in September, 1893, makes it eminently desirable that the students in the University and the people generally, shall be given wise instruction on the most important of all subjects; and I learn with satisfaction of your strong desire that this lectureship should be held first by Rev. John Henry Barrows, D.D., whose energy, tolerance, and catholicity of spirit and prolonged laborious devotion gave to the Parliament of Religions, in so large a measure, its remarkable success.

I remain, yours faithfully,

(Signed) Caroline E. Haskell."

Gift  
Received

On May 9, 1894, Mrs. Haskell delivered to the University securities aggregating in value \$20,310. with the understanding that as soon as the excess over \$20,000., namely: \$310. was received from the payment of the securities, it should be returned to Mrs. Haskell. This was done in January 1895. A portion of the securities received, namely fifty shares of the Mutual Fuel Gas Company, were sold in June 1895 at a

profit of \$2,136. and the remaining shares of the same Company, twenty-one in all, were sold in November 1897 at a profit of \$1,552.05. The profit was added to the original fund of \$20,000., making a total fund of \$23,688.05.

The Board of Trustees, on April 11, 1898, adopted the following resolution with regard to the investment of the Haskell Fund in a dormitory for boys at Morgan Park Academy:

"WHEREAS, it appears that President Harper, having expressed to Mrs. Haskell the belief of himself and the members of the Board of Trustees, that "a Dormitory for boys at Morgan Park would yield a probable income of 5% on the investment," and had asked if she would approve of the investment in such a Dormitory of the investment of the \$40,000. contributed by her for the endowment of the Haskell and Barrows Lectureship; and

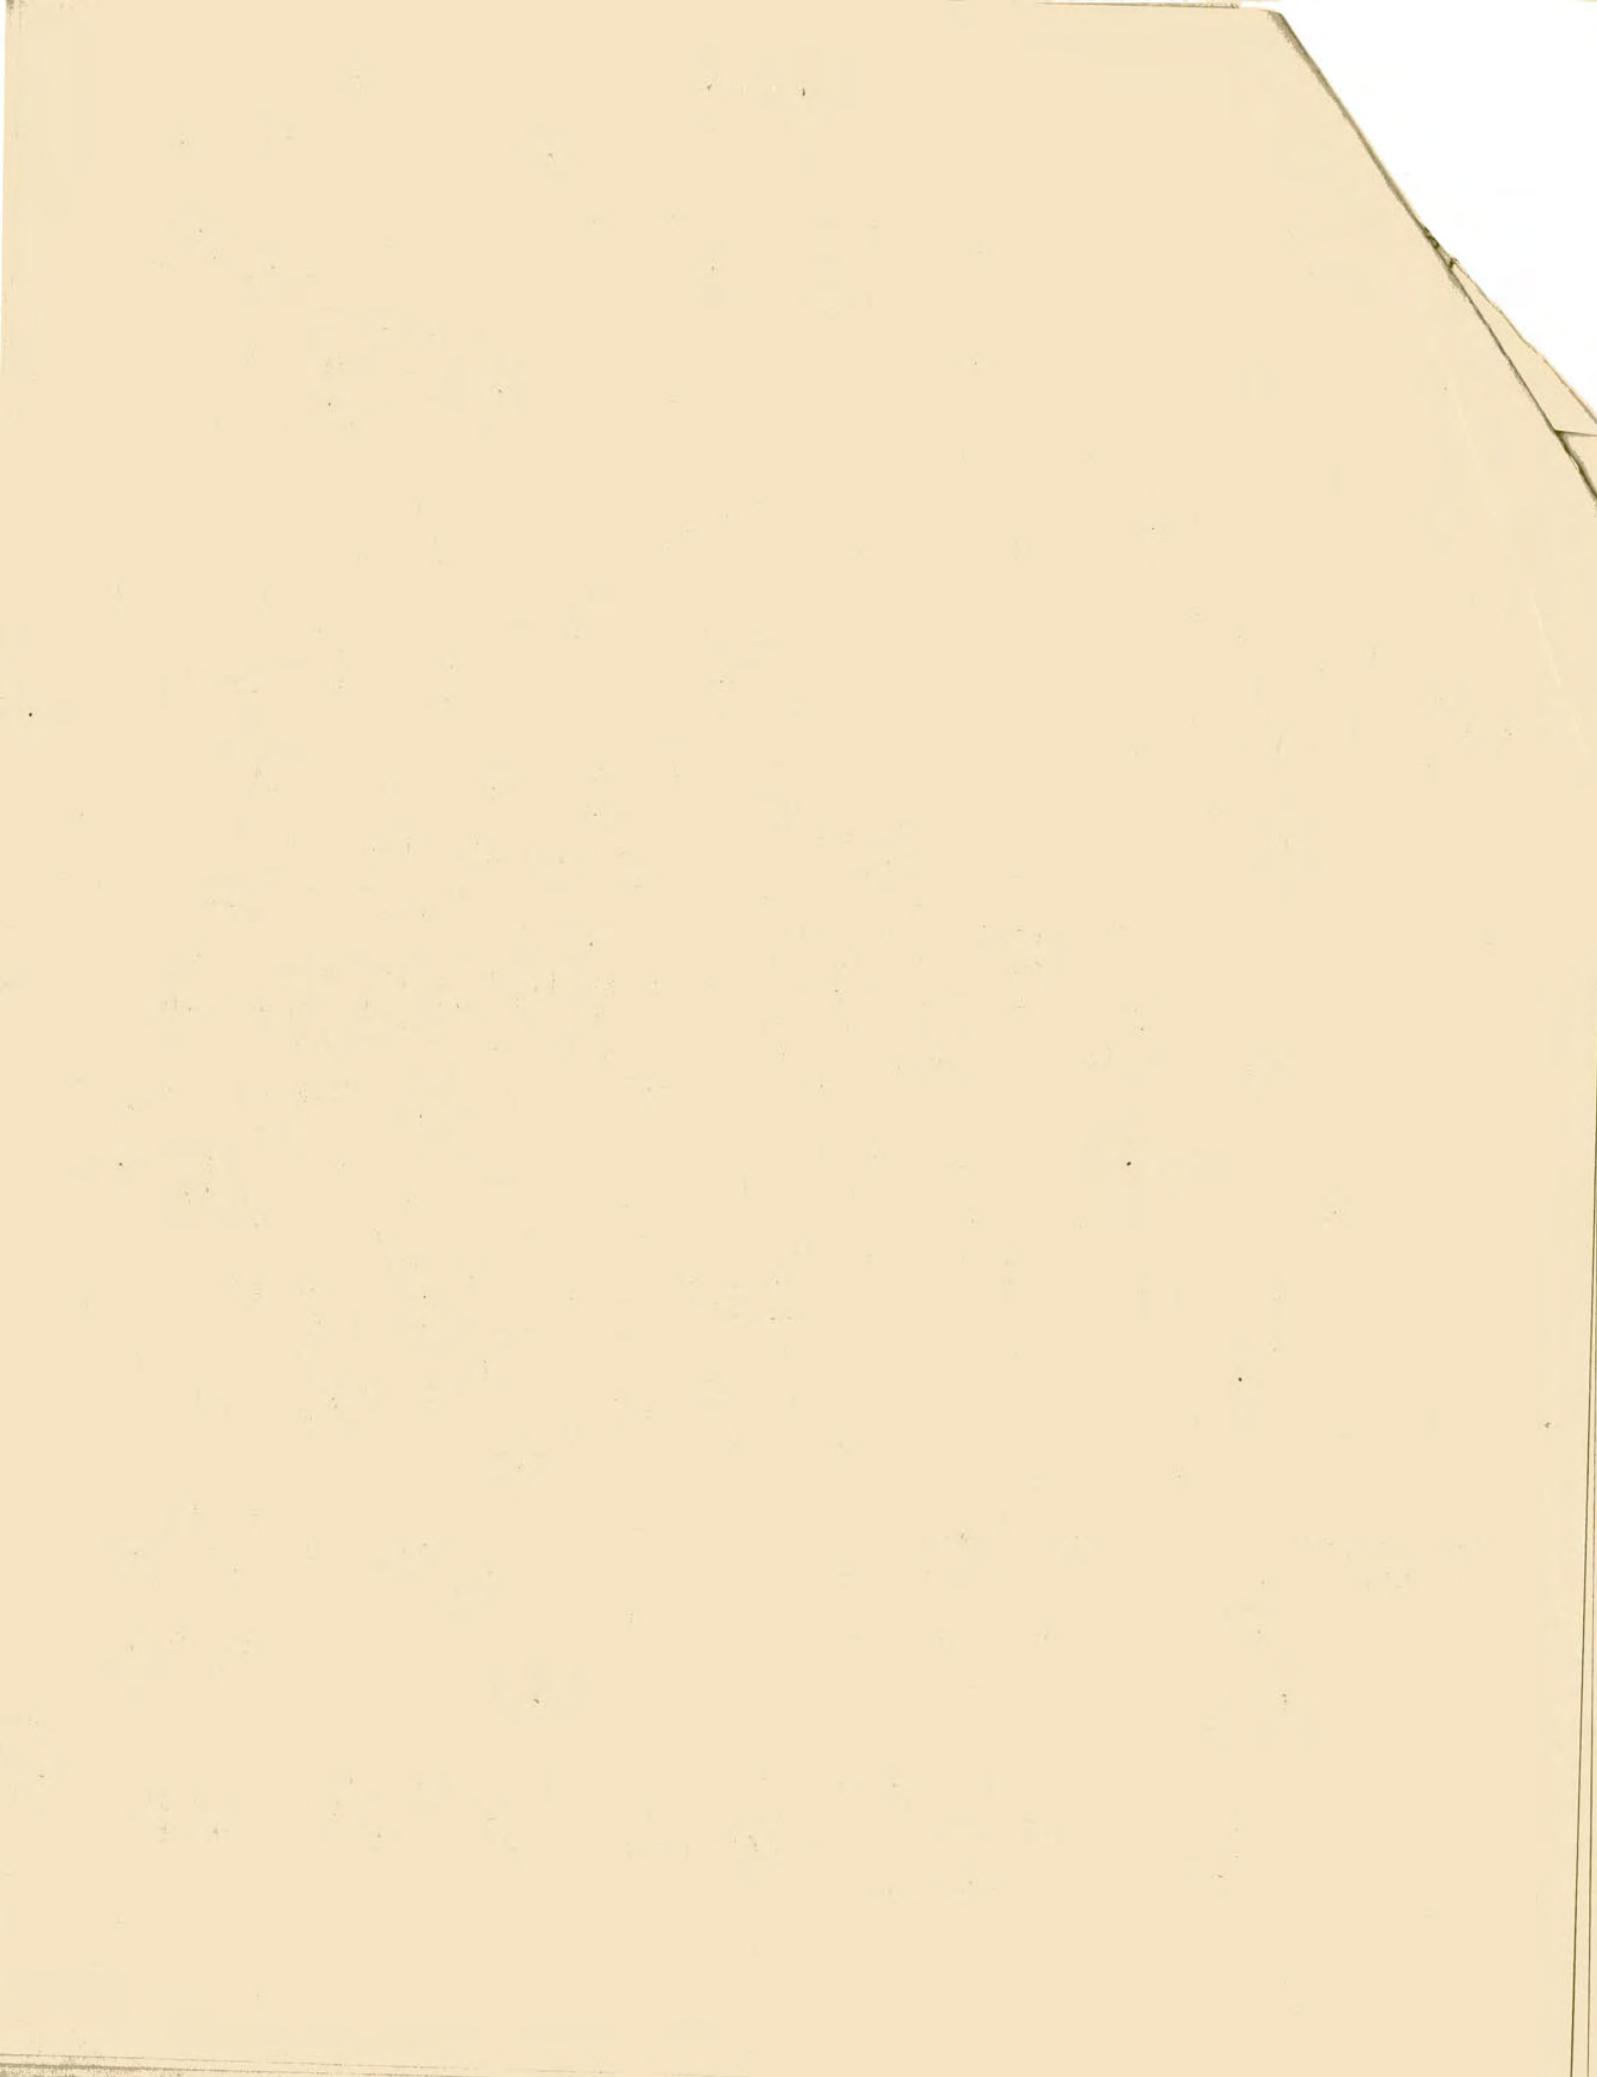

WHEREAS, it appears that Mrs. Haskell has heretofore in response to said inquiry answered in writing (June 22, 1896) "In regard to the investment of the \$40,000. (in the Boys Dormitory) I quite agree with you and the Trustees as the best and most advantageous use of this money. It will be serving two great interests, and it seems to me with more safety than investing elsewhere;" and

WHEREAS, it further appears that J. H. Barrows has heretofore in writing "cordially joined President Harper in recommending the investment of the Haskell funds in a Dormitory Building at Morgan Park."

THEREFORE, RESOLVED, that the Haskell funds referred to, be invested in a Dormitory at Morgan Park planned with reference to accommodating the largest possible number of boys, including boarding accommodations for the boys of the Academy houses, the building to be located on the Park recently purchased from William A. Talcott, and

RESOLVED further, that the net income of the building to an extent not exceeding 5% of the said investment shall constitute the income of the Haskell & Barrows Lectureships, and that any excess of net income over said 5% per annum, shall constitute a sinking fund, to be applied from time to time upon said principal sum of \$40,000."

Investment of Fund      In accordance with the resolution given above, the fund was invested in a dormitory known as East Hall, Morgan Park, and remained thus invested until February 1913, when the University paid the fund in cash the amount originally invested, namely \$23,688.05 for its investment in East Hall. (On June 30, 1907, the University discontinued the Morgan Park Academy, and leased the buildings and grounds for the purposes of a private school.) The cash received was invested in a loan to the School of Education funds on account of its purchase of the Lees Building, interest being allowed at the rate of 4 1/2%. The fund remains so invested at the present time.

sition The income on the fund has been used for the payment of income the lecturers on the Foundation, the names of whom are given in a subsequent paragraph. The investment in East Hall, Morgan Park, did not prove a profitable one, there being during the years in which the fund was so invested a net yield of approximately 2%. The income at the present time on the fund amounts to \$1,066. per year. For the past few years the sum has not been fully used, and there is an accumulated income unexpended of \$3,908.81 up to June 30, 1917.

It will be observed from the above that there have been twenty series of lectures announced, one of which, namely that which was to be given in July 1902, was not given because of the death of Dr. Barrows in June 1902. There should have been twenty-three annual series of lectures given in accordance with the terms of the gift.

Under the terms of the letter of May 5, 1894, the  
lectures were to be given under such conditions and  
specifications as shall be determined by Prof. G. S.  
Goodspeed and President Harper. President Judson succeeds  
Committee of Management President Harper, but inasmuch as since the death of Prof.  
Goodspeed no successor has been appointed to his position,  
President Judson has appointed a presidential committee to  
take Prof. Goodspeed's place, consisting of Professors J. M.  
Coulter, J. H. Tufts, A. W. Small, E. D. Burton, G. B. Smith,  
and D. A. Robertson.

THE UNIVERSITY OF CHICAGO

STATEMENT OF

THE A. J. HOWE MEMORIAL FUND

At the meeting of the Board of Trustees held September 18, 1890, the following resolution was adopted:

"Resolved, That the Board will establish a memorial of the late Professor A. J. Howe on or before the opening of the work of instruction."

Professor Howe occupied the Chair of Mathematics in the old University of Chicago, and was a man highly regarded by his contemporaries.

According to the record as shown by the books of account, \$1,000. was collected and turned over to the University on August 25, 1892, thus establishing the fund, the donors being unmentioned.

There is no record of the Board of Trustees designating the use of the income, but for many years it has been applied to general scholarship purposes.

This fund is invested, together with sundry scholarship funds, in 5 per cent securities yielding annually the sum of \$50., which is applied in the form of a scholarship, partially paying the tuition of a student

STATEMENT OF

THE HYDE MEMORIAL FUND

At a meeting of the Board of Trustees held April 10, 1917, the following letter from the Business Manager was presented:

April 7, 1917.

Board of Trustees,  
The University of Chicago.

On March 15 last Dr. Oliver S. Ormsby, Trustee for the Hyde Memorial Fund, delivered to the University of Chicago twenty-five \$1,000 bonds of the Western Electric Company, quoted on that day at 101, with July 1, 1917, and subsequent coupons attached. The following receipt was given for these bonds:

March 15, 1917.

Receipt  
of  
Investment      "Received of Oliver S. Ormsby, Trustee for the Hyde Memorial Fund, twenty-five (25) One Thousand Dollar (\$1,000) bonds of the Western Electric Company, quoted today at one hundred and one (101), with July 1, 1917, and subsequent coupons attached.

"With the consent of the donor, Mr. A. D. Thomson, of Duluth, Minnesota, this fund is to form a part of an endowment fund being raised for the establishment and maintenance of a Medical Department in the University of Chicago. It is understood that the income from this fund is to be used for research in skin diseases and cancer, under the direction of the Head of the Department of Dermatology at the Graduate School.

"The numbers of the above bonds are 3651 to 3675, inclusive.

(Signed) University of Chicago,  
by Wallace Heckman,  
Counsel and Business Manager."

Respectfully submitted,  
(Signed) Wallace Heckman.

In conformity with the foregoing, Western Electric bonds of the par value of \$25,000. were received and deposited with the Northern Trust Company.

Disposition  
of  
Income

As the income on the investment of this fund has matured, it has been credited to the Hyde Memorial Income account. The total income received up to and including January 1, 1919, has been \$2,500. The following letter requests that this accumulated income be added to the principal of the fund, and I suggest that the Board take formal action on the request:

25 E. Washington St.,  
New Marshall Field Bldg.,

Chicago, January 31, 1919.

Mr. Wallace Heckman, Treasurer,  
University of Chicago.

My dear Mr. Heckman:

Having been unable to get a Fellow who could spend sufficient time to make it worth while, we have not used the income on the money which ordinarily should be used in investigative work in our department. We are fortunate this year in having an excellent man who started to work just before the first of the year, and I have agreed to furnish him during the year with \$1,200.00. I believe the best way to manage it would be to pay him in monthly installments of \$100.00 each. If you could pay that directly to him without my being concerned in it in any way other than this letter I should be much pleased. However, if you wish to have me do anything in any way about it I shall be pleased to comply with your wishes.

The gentleman is Dr. Leland Shafer, the address Rush Medical College.

I should be pleased if the payments could begin the first of February, as he has worked during the month of January. I suppose the accumulated money, which includes that up to the first of this year, could be placed on the original fund (Hyde Memorial Fund), which would add somewhat to our yearly income.

With kind regards, I am

Very truly Yours,  
(Signed) Oliver S. Ormsby

THE UNIVERSITY OF CHICAGO  
STATEMENT OF  
THE JULIET GRAVERAET KAUFMAN MEMORIAL FUND

At the meeting of the Board of Trustees held February 13, 1917, President Judson presented the following communication:

February 2, 1917.

Harry Pratt Judson, Esq., President,  
University of Chicago,  
Chicago, Illinois.

At the request of my friend, Dr. Frank Billings, I am subscribing for the Medical Plan \$50,000., \$12,500. to be paid on July 1, 1917, \$12,500. on January 1, 1918, \$12,500. on July 1, 1918, and \$12,500. on January 1, 1919, making four (4) payments every six months from July 1, 1917. This I would like to have known as the "Juliet Graveraet Kaufman Memorial" in memory of my mother.

Respectfully yours,  
(Signed) N. M. Kaufman.

The death of the donor interrupted the fulfillment of his pledge when but \$25,000. had been paid to the University, and it was not until March of the current year that the remainder of the subscription was received from the executor of Mr. Kaufman's estate.

The funds of the Juliet Graveraet Kaufman Memorial are invested with the funds of the Medical School, and the income, pending the establishment and operation of the Medical School, is added to the Medical School funds income.

It will be noted that the only limitation is as to the name. Therefore, it may be assumed that the income is available for the general purposes of the Medical School without restriction to its employment, as in the case of the Logan Fellowships.

Respectfully submitted,

May 5, 1921.

THE UNIVERSITY OF CHICAGO

STATEMENT OF

THE MR. AND MRS. FRANK G. LOGAN RESEARCH FELLOWSHIP FUND

In connection with the efforts toward raising the Medical School Fund a subscription was received from Mr. Frank G. Logan, which was reported to the Board of Trustees at its meeting held February 13, 1917. His letter of gift is as follows:

Chicago, January 29, 1917

Mr. Martin A. Ryerson,  
Pres., Board of Trustees,  
University of Chicago,  
Chicago.

Dear Mr. Ryerson:

Herewith I hand you the following securities: 325 shares of the Preferred Stock of the Public Service Company of Northern Illinois and 150 shares of the Preferred Stock of the Northern States Power Company, to be held by The University of Chicago in trust; the income derived from these securities, or from any re-investment of the proceeds thereof, to be divided into three equal parts, one part to be used for a Research Fellowship in Pathology (including Bacteriology), one part for a Research Fellowship in Surgery, and one part for a Research Fellowship in Experimental Medicine for the purpose of discovering new methods and means of preventing and curing disease.

These fellowships shall be known as The Mr. and Mrs. Frank G. Logan Research Fellowships, and public announcement of the appointment of candidates shall be made each year at the Spring Convocation.

You are hereby given authority in your discretion to exchange the above securities for others, or to sell them and re-invest the proceeds thereof, to select candidates for the fellowships for one year, and to continue the same from year to year in your discretion.

In the earnest hope that this may lead to some results beneficial to mankind, and may also prove a stimulus to the University in its work, I remain

Most sincerely yours,  
(Signed) Frank G. Logan.

It was voted to accept the gift under the conditions named, and the Secretary was requested to express the thanks of the Board for the generous contribution.

In accordance with the statement contained in the letter, Mr. Logan transferred to the University stock as indicated, which was entered on the books of account at par. It will be noted that three fellowships were to be established, but pending the opening of the Medical School it was possible for the University to offer only one - that in Pathology. This fellowship has been awarded as follows:

1917-18	W. G. Sackett
1918-19	No Appointment
1919-20	I. C. Hall
1920-21	R. S. Spray
	Kenneth Fowler

On account of the accumulation of income with no present need for its use the Board of Trustees transferred Five Thousand Dollars (\$5,000.) of such income to the principal of the fund as of June 30, 1919, and the amount was invested in the purchase of Canadian Northern Railway Company 6 per cent Collateral Trust Gold Bonds at par. The investments at the present time are as follows:

150 Shares Northern States Power Company Preferred Stock	\$15,000.
325 Shares Public Service Company of Northern Illinois Preferred Stock	32,500.
6 Canadian Northern Railway Company 6% Bonds	<u>5,000.</u>
Total	<u>\$52,500.</u>

Since the transfer of income to principal in June, 1919, income has been received in excess of the amount required for the fellowship in Pathology to make it possible to transfer an additional amount to the principal of the fund. Approximately \$3,940.00 may be so transferred on June 30, 1921, should the Board see fit to take such action.

Respectfully submitted,

April 7, 1921.

THE UNIVERSITY OF CHICAGO

STATEMENT OF THE HAIMAN LOWY SCHOLARSHIP

At the meeting of the Board of Trustees held June 5, 1917, the following letter was received from Mr. E. B. Felsenthal, member of the Board of Trustees:

"I take pleasure in handing you herewith, on behalf of myself and my co-executor, check for \$3,000., the amount of the legacy left to you by the will of Haiman Lowy, deceased.

Under the will 'said sum is to be invested by said University of Chicago in income bearing securities for the purpose of establishing a scholarship to be designated as the 'Haiman Lowy Scholarship', the income of said fund to be used for providing scholarship for some deserving young man, preference to be given wherever possible to a young man of Jewish faith. If the income of said fund shall exceed the amount for a scholarship from year to year, such income shall be permitted to accumulate until such time as a sufficient amount shall be accumulated to provide for an additional like scholarship'.

Kindly sign and return to me both of the receipts enclosed."

The Board voted to accept the scholarship upon the conditions named in the will.

In 1904 Mr. Lowy had contributed to the University a sum of \$3,000. to establish the Walter D. Lowy Scholarship in memory of his son, who had been a student in the University.

The amount received has been invested with the other scholarship funds of the University in a 5 per cent investment, yielding \$150. per annum, the annual amount of tuition in the colleges at the present time. The present appointee is Mr. Harold Leo Klawans, who is reported by the Dean's Office as "a senior college student of high grade."

Respectfully submitted,

February 4, 1920.

THE UNIVERSITY OF CHICAGO

STATEMENT OF  
THE MARIE J. MERGLER SCHOLARSHIP

At the meeting of the Board of Trustees held June 11, 1901, the following letter was presented from the Comptroller of the University with regard to the bequest of Dr. Marie J. Mergler:

"June 11, 1901.

The Board of Trustees,  
The University of Chicago.

Gentlemen:

I beg to report as follows:

Dr. Marie J. Mergler deceased \$3000. bequest.

Theodore Schintz, Executor of the estate of Dr. Marie J. Mergler, has notified the University that Dr. Mergler formerly of Chicago, deceased at Los Angeles, Calif., has under her will bequeathed \$3000. to the University in terms following, viz:

Bequest  
of Dr.  
Marie J.  
Mergler

Ninth - I give and bequeath to the University of Chicago the sum of Three Thousand Dollars (\$3000.00) to be kept and invested by it as a special fund and the income thereof to be applied and devoted to the foundation of a scholarship for women, in physiology, in said University, on such terms as may seem proper to the said University authorities.

The Will makes bequests of about \$18000. mostly to relatives and provides for the order of payment in case the estate is not sufficient to pay all the bequests made, The University coming last: Executor Schintz thinks that the estate is amply able to pay all the bequests, it in his judgement being worth between \$35,000. and \$40,000. There is no suggestion of intention upon the part of anyone to contest the Will. The bequest will of course not be available for some two years.

Respectfully submitted,  
(Signed ) H. A. Rust,  
Comptroller."

On July 14, 1903, the University received from the executor of the estate \$2,904.22, being the net proceeds of the bequest after paying the legacy taxes. The amount received was invested with the various scholarship and fellowship funds, and \$95.78 of the income was added to the principal of the fund to restore it to the amount mentioned in the legacy.

The amount of the fund is at present invested in common with other scholarship funds, in an account called "Miscellaneous Investments". At the present time the income on this fund is at the rate of 5%, yielding annually \$150. for a scholarship in physiology, which is awarded to a woman student, in accordance with the provisions of the bequest.

The Mergler Scholars for the last ten years have been as follows:

1908-09	Clara Jacobson
1909-10	Sidney Harris Easton
1910-11	Ilsa Irene Henzel
1911-12	Leta D. Horner
1912-13	Anna Elizabeth Moffett
1913-14	Bertha Kaplan

THE UNIVERSITY OF CHICAGO

STATEMENT OF

THE HUGH MC BIRNEY III ENDOWMENT

At the meeting of the Board of Trustees held December 12, 1916, the Business Manager presented the following letter:

November 23, 1916.

In pursuance of our conversation this morning I make the following offer to the Trustees of the University of Chicago for the use and benefit of the University of Chicago High School:

To give them Five Thousand Dollars or, at their option, five per cent bonds of that face value, in trust for the following uses and purposes:

1. To hold the same, with full power to sell and reinvest, as a permanent endowment of the University of Chicago High School.

2. To designate this as the Hugh Mc Birney, Third, Endowment, in memory of my son, who bore that name and who was a pupil of that school. He was born July 21, 1900, and died August 17, 1916.

3. To pay, from the income arising therefrom, Two Hundred Dollars yearly for the tuition at the University of Chicago High School of such boy as the then Principal of the High School shall designate as unable to pay his tuition otherwise.

4. To pay the total balance of income arising therefrom, yearly, for the school books, locker and other charges to be approved by the Principal of the High School, which may be charged against such pupil of the High School as the Principal of the High School may designate; such pupil to be a boy and (preferably) the same boy provided for in paragraph 3.

As I told you this morning, I can, instead of selling something to provide for this, immediately give the Trustees five \$1,000. bonds of the Interborough Rapid Transit Company. They are of the issue of First and Refunding Mortgages Bonds due

January 1, 1966, and dated January 1, 1913, bearing 5% interest, and are a first lien upon the subways and elevated railroads of New York City, subject to the City's rights as owner of the subway. It is stated that the agreement between the city and Interborough Company makes these bonds, in effect, a quasi-municipal security. I bought them, some time ago, from the Harris Trust and Savings Bank, and they were highly recommended. You, and the trustees, however, will of course make up your own minds without interference of any sort by me. It would simply be easier and more convenient for me to give you five of these bonds, if you wish it. You can let me know, here, at your convenience.

In closing, I wanted again to express my high appreciation of the University High School in every way and of its fine Principal, Mr. Franklin W. Johnson. I feel that I have come to know him well and I like and admire him greatly. You have the best school that I ever saw or heard of. And I want my son, who loved it devotedly, to have his name perpetuated in connection with it.

(signed) Day McBirney.

The gift was accepted by the Board upon the conditions stated, and the Secretary was requested to express to the donor the thanks of the Board of Trustees for his generous action.

Bonds of the par value of \$5,000., as stated, were turned over to the University, thus establishing the Hugh McBirney III Endowment for the purpose mentioned.

The amount of the income from the Fund is included in the budget, Section VII - School of Education, and is used in conformity with the terms of the gift. The first beneficiary during the year 1917-18 was Thomas Campbell, who at present is in Yale Law School. The appointee during the year 1918-19 and the current year is Arnold Morgan, 5605 Drexel Avenue, a lad who is, according to the

statement of Principal Snyder of the High School, doing  
very satisfactory work.

Respectfully submitted,

December 4, 1919.

THE UNIVERSITY OF CHICAGO

STATEMENT OF

THE ANDREW MacLEISH SCHOLARSHIP

At the meeting of the Board of Trustees held December 27, 1899, President Harper reported a gift of \$3,000. from Mr. Andrew MacLeish for the establishment of the Andrew MacLeish Scholarship, the income from this fund to be used for the assistance of students in the Divinity School. During the year 1900 the amount was received by the University.

The amount of the income from this fund has been included in the budget estimates of income and expenditures of the Divinity School, and has been used regularly for scholarships for divinity students.

The amount of the fund is invested in common with other scholarship funds, in an account called "Miscellaneous Investments". At the present time the annual income on this fund is at the rate of 5%, yielding \$150. for a scholarship for a student in the Divinity School.

THE UNIVERSITY OF CHICAGO

STATEMENT OF

THE McMILLAN FUND

At the meeting of the Board of Trustees held January 13, 1920, there was reported the receipt of \$1,000. in payment of the bequest of John F. McMillan of Chatsworth, Illinois, in accordance with a clause in his will which read: "I will and bequeath to the Baptist University of Chicago, Illinois, the sum of \$1,000. as an endowment fund".

The question of the use of the income from the McMillan bequest was referred to the Committee on Finance and Investment, who on July 28, 1920, recommended that "the proceeds of the McMillan bequest be placed among the General Funds of the University, the income therefrom to be used for general purposes". Action to this effect was taken by the Board of Trustees on August 10, 1920.

The sum of \$1,000. was entered on the records of the University on January 14, 1920, and invested in the Francis Beidler (part)  $5\frac{1}{4}$  per cent real estate loan. At the present time this loan pays 7 per cent interest, and the income of \$70. is included in the budget receipts each year.

THE UNIVERSITY OF CHICAGO

STATEMENT OF

THE HERBERT A. AND HARRIET E. MORSE FUND

In May 1919, the following extract from the will of Harriet Morse, deceased, was reported to the Board of Trustees:

"I give, devise and bequeath to the University of Chicago, located in the City of Chicago, County of Cook, Three Thousand Dollars (\$3,000.00) to be held by the said University of Chicago as a separate trust fund which shall be invested in State, Government, or Municipal bonds or securities, or first mortgages on real estate in the City of Chicago, with power in the University of Chicago from time to time to reinvest the same in like securities and only the income therefrom to be used by the said University of Chicago; said fund to be known as the 'Herbert A. and Harriet E. Morse Fund'; said income to be applied to the education of worthy and needy persons desiring to attend the said University".

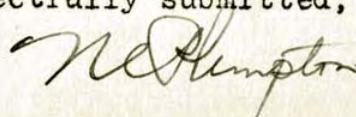

In addition to this bequest of \$3,000.00, the will further included a gift to the University of the residuum of her estate in the event of the "death of her son, Walter H. Morse, leaving no child or children or descendants of a child or children him surviving".

On June 2, 1920, the University received in cash, payment of the original bequest, and in accordance with the terms of the gift, set up the Herbert A. and Harriet E. Morse Fund on the books of account. At its meeting held June 8, 1920, the Board of Trustees accepted the trust fund on the conditions named in the will and voted to invest the amount in U. S. Government bonds. This was done in September 1920, \$3,000.00 par value of U. S. Victory 4 3/4 per cent bonds, due in 1923, having been purchased at \$2,866.88, leaving \$133.12 principal cash uninvested. The annual income is \$142.50.

On August 9, 1921, upon recommendation of the Business Manager, it was voted "that all the bequests and interests granted to the University of Chicago under the will of Harriet E. Morse, deceased, be and the same are hereby accepted".

THE UNIVERSITY OF CHICAGO

STATEMENT OF THE ENDOWMENT FUND OF THE  
OGDEN SCIENTIFIC SCHOOL

There is presented herewith a history of the Endowment Fund for the Ogden Scientific School, founded by the executors of the Estate of William B. Ogden, the first mayor of the city of Chicago:

Prior to his letter of June 30, 1891, to President William Rainey Harper quoted below, Mr. Andrew H. Green, one of the executors of the estate, had written inquiring if the Trustees of the University would accept an endowment of from \$300,000. to \$500,000. for the founding of a school for advanced scientific work, and requesting President Harper to draft in outline the scope of a school that would seem best adapted to meet the requirements of the object in view while relating itself also to the other departments of the University. Mr. Green's letter of June 30, 1891, the result of his correspondence with President Harper, reads as follows:

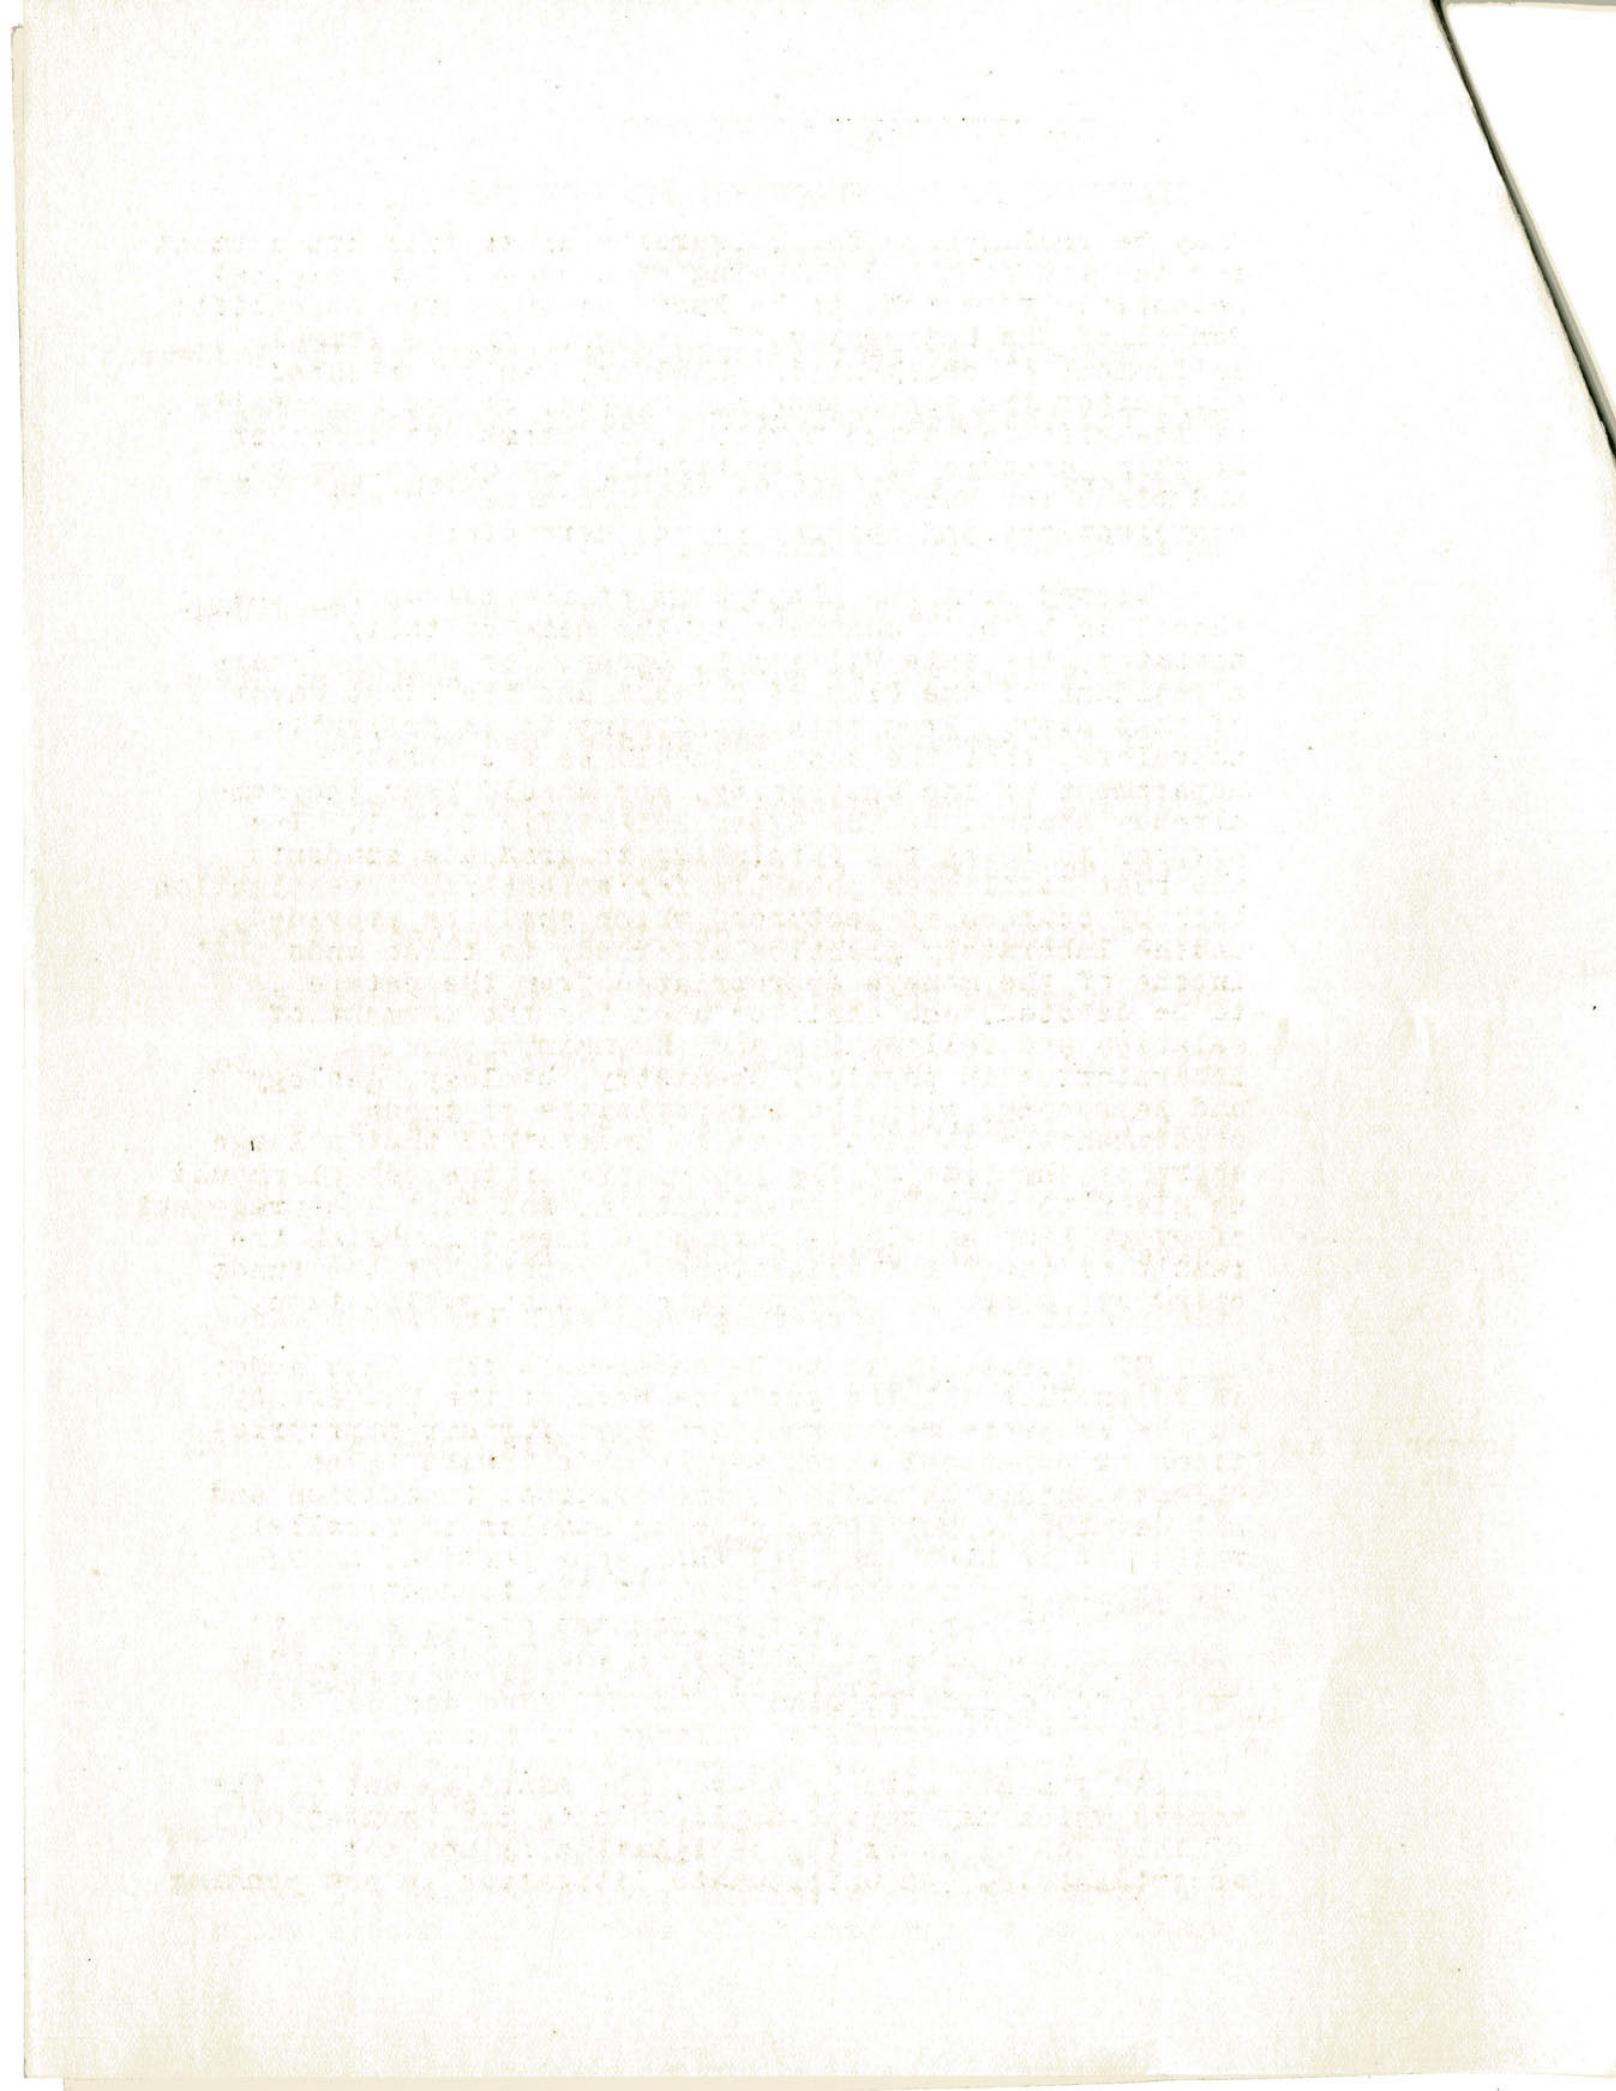

Letter of A.H.  
Green

New York, June 30, 1891.

W. R. Harper, PH. D.,  
University of Chicago,  
Chicago, Illinois.

My dear Sir:-

It is with pleasure that I am able to inform you that the executors and trustees, under the will of the late William B. Ogden, have decided to select the University of Chicago, of which you are the honored President, as the recipient of seventy per cent. of the moneys to be devoted to charities under the terms of Mr. Ogden's will. In making this selection, as you are aware, the executors have been guided by the correspondence which has passed between you and myself, as to the uses to be made of the moneys which

may be realized to the University under this appointment for the founding and endowing of a school for original scientific research, to be known as the Ogden Scientific School of the University of Chicago. As the formal instrument of designation, however, can be executed only after the acceptance on the part of the University of the gift for these purposes, it seems not improper at this juncture to review briefly the general scope and plans for such a school, as discussed in our conversations and correspondence heretofore.

Viewed from the standpoint of the executors, the school is to be a monument to the name of their testator, the late William B. Ogden, for so many years a resident of the City of Chicago and the first Mayor of that city. From this standpoint it is desirable, therefore, that the school should be a separate department of the University, and should bear the name, already stated, of the Ogden Scientific School. Its purpose is to be the furnishing to graduate students the best facilities possible for scientific investigation both by courses of lectures, which shall be provided, and the laboratory practice afforded; to these ends the income of the moneys appropriated from the estate is to be devoted, and shall be used for the payment of salaries and fellowships and the maintenance of laboratories in physics, chemistry, biology, geology and astronomy, with the sub-divisions of these departments. It is also to be understood that a large share of the time of the professors in the school should be given to original investigation, and that encouragement of every kind should be furnished them to publish the result of their investigations, a portion of the funds being set apart for the purpose of such publication.

Of course, it is to be understood that this school is to include all the graduate work of the University on the subjects mentioned, and that further appropriations or donations which may be made toward these objects should be added to the original foundation and not devoted to new schools doing similar or parallel work. It is also proposed that some portion, though perhaps an inconsiderable one, of the foundation should be set apart for the purchase of books not to be placed in the general library of the University, but in the special departmental and laboratory libraries of the proposed school.

As you are already aware, the exact amount of the moneys which may become applicable to the foundation of this school under the designation is not now ascertainable. An unfortunate litigation is now pending

over the clause of Mr. Ogden's will under which the appropriation will be made, but though no decision has as yet been reached in that litigation, it is the confident expectation of the executors that the amount which will finally become applicable to the purpose of the proposed Scientific School will certainly not be less than \$300,000. and may reach a sum considerably in excess of half a million. With the broad foundation on which it is proposed that this school should be based, it will be necessary that the sum originally given from the estate funds should not be less than the first named sum of \$300,000.; but the trustees desire it to be understood that the University, in accepting this gift, will pledge itself to erect the contemplated school under the suggested name of the Ogden Scientific School, on the receipt of this sum, whether or not the wish and expectation of the trustees be realized in the final receipt from the charity fund of a much larger sum. In the event, however, of any unforeseen circumstances preventing the moneys designated from reaching the above mentioned sum of \$300,000. it is further understood that the moneys which may be received shall be used for the endowing of one or more professorships in said University, to be severally known as the Ogden Professorships.

It is also the wish of the trustees that they should be allowed some voice in the development of this plan, and to that end I would suggest that at least one of the Board of Trustees of the University should be the nominee of the executors and trustees of Mr. Ogden's estate, in order that in the formation and development of the Scientific School proposed, the wishes of the trustees may be voiced by at least one member of the governing body of the University.

There is one further point upon which the executors desire that a distinct understanding should be had, namely; the absolute freedom of the admission to the proposed school of students and professors alike, without reference to their particular religious beliefs. The assurance which you have already given me upon this point is, of course, sufficient to my own mind, but it is the desire of the trustees that in this announcement of their intention to make the contemplated designation, this point should be clearly stated, that at no subsequent date any misapprehension in relation to it should possibly arise.

I may say that in the course of the business with relation to this gift to the University, I have talked the matter over with Rev. Leighton Williams, a friend of your own as of mine, and the present statement of the plan is one which I believe will be consonant with your own views as well as with the wishes of the executors.

In conclusion, it may be well to state that, whether or not it be thought best in the future to execute a formal deed of gift, by which the exact lines of the proposed school shall be determined, the designation which the executors contemplate executing upon the acceptance of this gift on the terms stated will be sufficient to assure to the University the final application of such moneys as may vest in the trustees for charitable purposes to the amount of seventy per cent, thereof.

Yours very respectfully,

(Signed) And'w H. Green.

Acceptance of  
the Gift

Chicago, July 16, 1891.

To the Executors of  
the Will of the Late William B. Ogden:

At the meeting of the Board of Trustees of the University of Chicago, held on July 9th, 1891, the letter of Andrew H. Green, written June 30, 1891, to Wm. R. Harper, announcing the designation of funds made by you to this University was presented, and the following action was taken:

The Board accepts the gift of the executors of the will of the late Wm. B. Ogden for the founding and endowing of a school to be known as the Ogden Scientific School of the University of Chicago, in accordance with the terms and conditions of the letter of Andrew H. Green to President W. R. Harper, dated June 30, 1891; and the Board, in consideration of this gift, will undertake to organize and maintain a school upon the basis of the plan outlined in said letter, it being understood that Dr. Harper has explained to Mr. Green's satisfaction, that while the Board has not the authority to bind its successors in relation to the appointment of a member of the Board to represent the estate of Wm. B. Ogden, yet it is the opinion of the Board that a way may be found

THESE ARE THE WORDS WHICH WERE SPOKEN BY  
JESUS TO HIS DISCIPLES ON THE DAY OF HIS  
RESURRECTION.

JOHN 20: 19-31.

to substantially comply with the wish expressed by Mr. Green in that regard.

The Board wishes to express to the Executors its appreciation of this magnificent benefaction to the University and to the cause of education, its profound gratitude to them for endowing in connection with the University a scientific school of such high character and exalted aims, and its assurance that every effort shall be made to carry out the views of the Executors as expressed in Mr. Green's letter to Dr. Harper, and to make the school all that you can wish.

The letter of President Harper to Mr. Green dated July 1st, 1891, reflects the views of the Board.

The Board feels a peculiar satisfaction that Mr. Ogden's Monument will be built in connection with the University of Chicago and in the city of which through many years he was the foremost citizen.

The Board will do everything in its power to lift the school up into the highest excellence and the greatest fame.

By the authority and on behalf of the Board of Trustees, we remain

Very truly yours,  
(Signed) William R. Harper, Pres.  
T.W. Goodspeed, Secy.

Proceeds of  
the Gift

Beginning with October 6, 1893, at which time the executors of the estate sent to the University cash and securities amounting to \$245,551.35, and covering a period up to July 27, 1912, there have been various distributions of the assets of the estate in cash, bonds, stock, and real estate as shown by the following statement which includes profits on investments and also shows the amount expended by the University for legal service and expenses:

Received from the Estate to Wm. B. Ogden:

Cash	\$279,212.10
Bonds and stocks	146,401.00
New York City mortgages	56,541.00
Real estate	92,771.57
Total	\$574,925.67

Profits on Investments

Sales of Real estate	3,483.23
Realized Bond Discount	875.
	4,358.23
	\$579,283.90

Expenditures

Legal services and expenses	13,332.56
Amount of Endowment Fund	\$565,951.34

Income                          The income each year from the fund has been applied to the expenses of the Ogden Scientific School, the maximum amount in any one year being in 1909-1910, \$36,963.15. For the year 1914-1915 the income was \$27,501.64, the shrinkage being largely due to the defaulting of rental by The Cowan & Company.

Organization

THE UNIVERSITY OF CHICAGO  
OLSON MEMORIAL FUND

The following is an extract from the minutes of the Board of Trustees dated September 18, 1890:

"Resolved, that the Board will establish in the University a chair of Greek to be called the 'Edward Olson Professorship of the Greek Language and Literature'".

However, it was not until more than five years had elapsed that any further reference was made in the minutes regarding this project when, at a meeting of the Board on December 14, 1895, it was voted that one of the chairs of instruction in the Department of Greek (to be designated by the President) be named for Edward Olson, who was professor of Greek in the old University of Chicago.

At the meeting of the Board on December 14, 1895, President Harper read a letter from Mrs. O. B. Clark requesting the repayment to her of \$200.00 contributed by her late husband to the Olson Professorship, since she had been left poor and the professorship had not been established. It was voted that the money be repaid. The early records of the University, however, do not show either the receipt from Mr. Clark of the amount mentioned, nor its return to Mrs. Clark.

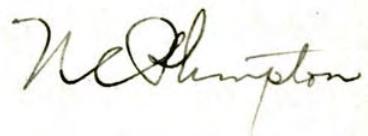

So far as can be determined from the records, the amount collected for the Olson Memorial was \$100.00 which was deposited with the University in August, 1892. On

account of the small amount of the principal, it has been invested for the last twenty years together with sundry fellowship and scholarship funds, and the annual income used for scholarship or student aid purposes.

The early records of the University in many instances are somewhat deficient in information from which to prepare historical statements, and in the case of this fund, as is true in other instances, the names of the donors do not appear in the records.

Respectfully submitted,

THE UNIVERSITY OF CHICAGO

STATEMENT OF  
THE LYDIA B. PACKER FUND

At a meeting of the Board of Trustees held February 21, 1911, the Business Manager reported that under the authority of the Committee on Finance and Investment, January 13, 1911, Mrs. Lydia B. Packer had assigned to the University certain mortgages aggregating \$9,500.00. The agreement provided that \$237.50 be paid to Lydia B. Packer on the 26th day of each July and January during the period of her life, and also similar payments to Eli Packer, her husband, should he survive her.

The agreement further provided as follows:

"Upon the decease of both Lydia B. Packer and Eli Packer, her husband, the party of the second part (the University of Chicago) shall hold the total amount of said fund then remaining as an endowment fund for theological instruction."

In accordance with the terms of the agreement, \$237.50 has been paid to Mrs. Packer each July and January. At the present time the fund is invested in a portion of the G. E. Stocking 5 1/2% farm loan due May 5, 1923. The annual income is \$522.50. Of the income \$475.00 is paid to Mrs. Packer annually, leaving a balance of \$47.50, which has been used for the general purposes of the University.

Upon the decease of both Mrs. Packer and her husband, the total income of the fund will be available for providing theological instruction.

THE UNIVERSITY OF CHICAGO

STATEMENT OF

THE ELI PACKER FUND

At a meeting of the Board of Trustees held February 21, 1911, the Business Manager submitted a letter written to the Committee on Finance and Investment dated February 10, 1911, stating that Mr. Eli Packer wished to assign to the University the unpaid balance of \$700. on a certain contract of sale on Des Moines, Iowa, property, provided the University paid to him for his life time, and to his wife, Lydia B. Packer, thereafter, if she survive him, for her life time, an amount equal to 5 per cent per annum thereon. On February 23, 1911, such an agreement was made with Mr. Packer, payments to begin as soon as the contract of sale was paid in full.

History  
and  
Terms of  
Agreement

The agreement further provided as follows:

"Upon the decease of both Eli Packer and Lydia B. Packer, his wife, the party of the second part shall hold the total amount of said fund then remaining as an Endowment Fund for Theological Instruction."

The contract was paid in full on February 3, 1913, and in accordance with the terms of agreement 5 per cent interest has been paid to Mr. Packer since that time, \$17.50, on the first day of July and January of each year.

At the present time the fund is invested in a portion of the G. E. Stocking 5 1/2 per cent farm loan due May 5, Disposition 1923. The annual income is \$38.50. Of the income \$35. is of Income paid to Mr. Packer annually, leaving a balance of \$3.50 which has been used for the general purposes of the University.

THE UNIVERSITY OF CHICAGO

STATEMENT OF

THE O. S. PHELPS AID FUND

At the meeting of the Board of Trustees held September 27, 1898, "The Secretary reported that Mr. O. S. Phelps of Princeton, Illinois, proposed to leave the University \$2000 on certain conditions. After consideration the matter was referred to the President of the Board and Secretary with power to arrange with Mr. Phelps the terms on which the University would receive the \$2000."

At the meeting of the Board held November 8, 1898, "The Secretary reported that in the matter of the agreement with O. S. Phelps, which had been committed to President Ryerson and the Secretary with power, an agreement had been made, dictated by Mr. Ryerson, and it was approved and adopted as follows:

WHEREAS, O. S. Phelps, of Princeton, Illinois, has heretofore executed and delivered to The University of Chicago, in the State of Illinois, his one certain promissory note dated the tenth day of October, A. D. 1898, whereby he promises to pay to the order of the said The University of Chicago the principal sum of Two Thousand (2000) Dollars at or before his decease, without interest;

NOW THEREFORE, in consideration of the execution and delivery of the said promissory note the said The University of Chicago, under and by authority of its Board of Trustees, hereby promises and agrees that upon the payment to it of the said sum of Two Thousand (2000) Dollars, according to the tenor and effect of the said promissory note, the said University will invest and keep invested the same and use the income therefrom for the purpose of assisting deserving students of the Divinity School of said University, which assistance shall be known as the O. S. Phelps Aid.

And it is hereby further agreed that in case the children of Mrs. Sara P. Rohde, said children being known and treated as the grandchildren of said O. S. Phelps,

rechtschaffene und gerechte Gesetze zu schaffen und die  
sozialen und politischen Rechte der Menschen zu gewährleisten.

Er erinnerte sich daran, dass es im Jahre 1911 eine Reihe  
von sozialen Gesetzen verabschiedet wurden, welche die  
Arbeitszeit auf 48 Stunden beschränkten und gleichzeitig  
die Lohnauszahlung auf die Arbeitstage und nicht auf die  
Wochen ausgestreckt wurde. Es handelte sich um eine  
Vereinbarung zwischen dem Kaiser und dem Deutschen  
Reichstag.

Die gesetzliche Regelung war eine Fortschrittsbewegung  
im Sinne des sozialen Fortschritts und führte zu einer  
verbesserten Arbeitszeit und zu einer Erhöhung des  
Lohnes für die Arbeitnehmer.

Der Kaiser und das Reichstag beschlossen am 20. Februar  
1911 die Einführung der 48-Stunden-Woche.

Die gesetzliche Regelung war eine Fortschrittsbewegung  
im Sinne des sozialen Fortschritts und führte zu einer  
verbesserten Arbeitszeit und zu einer Erhöhung des  
Lohnes für die Arbeitnehmer.

Die gesetzliche Regelung war eine Fortschrittsbewegung

shall become students of said The University of Chicago after the payment of said \$2000 promissory note, the income of said \$2000 shall be received by said University as and for the full payment of all the tuition charges for said children for and during their full college course, provided however, that in such event the Aid above mentioned shall be suspended until the University has realized from said income a sum equivalent to the total amount of the fees (tuition charges) to which it would be entitled at the regular rates for the tuition of said children.

Signed by said The University of Chicago, by its President, and attested by its Secretary, under its Corporate Seal this Twenty-Ninth day of October, A. D. 1898."

The following communication was submitted to the Board of Trustees at its meeting held February 28, 1904:

February 24, 1904.

Board of Trustees:  
Gentlemen:

I am in receipt of a copy of the will of Orris S. Phelps of Princeton, Bureau Co., Illinois, the third clause of which is as follows:

THIRD: And also in the event if I should not pay the same during my life-time that it is my will, and in such event, I hereby direct that from my estate shall likewise be paid another promissory note also by me executed bearing date October 10th, 1898, payable to the order of The University of Chicago, at or before my decease, the principal sum of two thousand dollars without interest.

Respectfully submitted,

(signed) Wallace Heckman.

Under date of July 1, 1904, the University received in cash from Mr. Phelps the sum of Two Thousand Dollars (\$2,000) in liquidation of this pledge.

It will be noted that the income from this Fund was not to be used for the purpose of assisting deserving students in the Divinity School until tuition fees of the children of Mrs. Sara P. Rohde were provided from the income of the Fund. Two children of Mrs. Rohde attended the University. Their total

fees during their period of residence amounted to \$910.00.

The fund is invested in common with other scholarship funds in an account called Miscellaneous Investments. The income of the fund from July 1, 1904, to November 15, 1915, was used to repay the \$910.00 of fees above mentioned. Since that time the annual income has been used for the purpose of aiding students in the Divinity School as determined by the Dean of that School, in accordance with the terms of the agreement made in 1898. The annual income at present is \$100.00.

Respectfully submitted,

Chicago, May 14, 1918.

The University of Chicago

Office of the Auditor

June 27, 1923.

My dear Doctor Burton:

For a number of years we have been paying to Mrs. Florence M. Goodspeed, from the President's Fund, under the direction of Doctor Judson, the sum of \$600. I believe this amount was in lieu of a retiring allowance, since her husband died before the University had a retiring allowance system. The arrangement was entered into before Mrs. Goodspeed's appointment as director of Ida Noyes Clubhouse. The payment we are making at this time terminates the authority we have received. Will you please inform me if it is your desire to continue these payments?

Yours very truly,

*M. D. Huntington*

Dr. E. D. Burton,

### Topographic Map of the

July 2, 1923.

My dear Mr. Plimpton:

In answer to yours of July 27th with reference to Mrs. Goodspeed I may say that Mr. Judson explained to me in connection with his retirement from office that he regarded the \$600 from the President's Fund as a necessary supplement to the \$2000 paid from the University budget. In other words, that he had fixed Mrs. Goodspeed's salary at \$2000, having in mind the \$600 which had already been for some years paid annually to her. Among the few requests that he made to me was that I would continue the \$600.00 from the President's Fund. This I feel bound to follow in effect if not literally. As you know, I wish as soon as possible to make a study of the uses made of the President's Fund with a view to discovering whether any changes should be made. Till then, this letter is authority to continue payment as heretofore.

Very truly yours,

Mr. N. C. Plimpton,  
Office of the Auditor.

bequeathed to me by my late wife, Mrs. Mary E. Smith, who died in 1928. The house was built in 1890 by Mr. and Mrs. John C. and Anna M. Smith, and has been in the family ever since. It is a two-story frame house, with a front porch supported by four square columns. The roof is gabled, with a central chimney. The exterior walls are made of weatherboard, and the windows have decorative wooden frames. The house is surrounded by a lawn and trees, and there is a small garden in front. The interior of the house is spacious and well-kept, with high ceilings and wide hallways. There are five bedrooms, three bathrooms, and a large living room with a fireplace. The kitchen is located on the ground floor, and there is a separate entrance to it from the outside. The house is situated on a hillside, with a view of the surrounding countryside. It is a comfortable and inviting home, and I am grateful to have it.

My dear President Burton:

I beg to inclose herewith a statement of the President's Fund as it stands at the present time, from which you will notice there is a balance of \$49.43 undesignated. The amount already turned over to the Rifle Club is \$200. I wrote you on January 18, calling your attention to the fact that Mr. Gale's letter indicated that he would keep you informed as to the progress the Rifle Club made in its membership campaign during the Winter. I should think if the membership is not worked up to the estimated 250, that it is an indication of the lack of appeal of this activity to the student body, and that further subsidy might be questioned.

Yours very truly,

September 26, 1924.

My dear President Burton:

Referring to your letter of September 24 with regard to the possibility of funds for the purpose of lectures as suggested by Mr. Michelson:

Last year it was possible to charge such items to the general lecture account, since the receipts during the Summer of 1923 were somewhat in excess of the expenditures. For the present year the expenditures are in excess of \$1,500. above the receipts, and it is possible that all of the charges are not yet in. I suggest, in view of all the circumstances, that the amount be provided from the President's Fund, that fund to be relieved in case we find that the University's budget for the current year can carry the expense. The balance in the President's Fund at the present time is approximately \$4,000.

My dear Mrs. Bonner:

I have your note sent to President Burton asking whether you may expect an appropriation for the Dames Club for the current year. I am writing this that you may know that your request has been received. I shall send you definite word within a few days.

Cordially yours,

Assistant to the President.

My dear Mr. President:

Miss Pauline Sage of the Committee for Friendly Relations with Foreign Students called on me yesterday in regard to the case of Miss Brucia Dedinsky, who will receive her Bachelor's degree at the end of the approaching Summer Quarter, and who is very anxious to go on with her Master's degree without interruption.

I asked Miss Sage to write out a full statement of the case which I might lay before you. The point is this: Miss Dedinsky wants to effect, if possible, a loan of \$1000. to carry her through the year, which will enable her to get her Master's degree. None of the regularly established loan funds will be available for her, or even if available, sufficient to grant the amount she requires.

The President's Fund has in it at present approximately \$700. It would not seem to me advisable to draw from that fund for this purpose. I have no constructive suggestions to make, but I felt that I ought not say to Miss Sage that absolutely nothing can be done without referring the matter to you for your advice.

I hope it will be practicable to pass upon this before leaving next Sunday.

Very truly yours,

President E. D. Burton  
The University of Chicago

*I concur in  
your judgment - and  
the loan funds could  
not carry this. Perhaps  
some underwriting could  
be done in this case.

Dr. Nathaniel Butler,  
University of Chicago,  
Chicago, Illinois.

My dear Dr. Butler:

In accordance with your suggestion that I put into writing the case of Miss Brucia Dedinsky, I am glad to send you this letter.

Miss Dedinsky is an undergraduate student at the University of Chicago. She comes from Russia and is a member of the Friends Church. She has studied in Geneva, Switzerland, and at the University of Birmingham, England; and after coming to this country taught French, German, and history for several years at Nebraska Central College, serving there also for a time as acting dean of women.

Because of financial difficulties common to many Russians during these last few years, Miss Dedinsky has been unable earlier to complete her studies for her first degree. She hopes to get it by the end of the summer quarter 1925. Her record abroad and at Central College, as well as at this University, has enabled her to secure tuition scholarships for four quarters in succession. Her other expenses she has had to eke out of her savings from the salary received at Central College.

Now comes the crux of this matter. Miss Dedinsky is eager to go on next year with work in French for her Master's degree. She realizes that with such a degree from the University of Chicago she will be able to command a much better teaching position than otherwise. Being already a little past thirty years old, Miss Dedinsky believes that now is the time for her to pursue her studies further, rather than to stop and teach for several years and then study again. She says that her brain is now in better working order for such studies than it would likely be after several years of teaching.

The problem of how to finance her second degree is what baffles her. She would like, if possible, to borrow money at a low rate of interest if necessary, with the understanding that she would pay it back out of her earnings as a teacher later. If she could be sure of her scholarship tuition for the entire time, and borrow enough money for living and incidental expenses, that would solve the problem. Or a loan of one thousand dollars she thinks would be ample to see her through all expenses, and she believes that she could return that amount at the end of two years of teaching.

So far Miss Dedinsky has been unable to discover any source from which she could make so considerable a loan. After consultation with Mr. Dickson and the office of the graduate school, she was advised to go to the President's office to see what might be done. Feeling some slight hesitancy in doing this, Miss Dedinsky asked me if I would at least begin negotiations for her.

It should be said further that Nebraska Central College has definitely assured Miss Dedinsky of a place on their faculty either next year if she does not study for her Master's degree, or the year following if she secures it, in which case the salary would be higher. I understand also that Mr. Bouvée of the University High School has said something to Miss Dedinsky about the possibility of her teaching there. It would seem, therefore, as if her scholarship and professional prospects are such as to warrant the belief that she would be able both to make good use of a loan for pursuing her studies further, and to return the loan within a reasonable time.

If you find that there is a possibility for arranging such a loan, I am sure that Miss Dedinsky would be most grateful for an opportunity to discuss the matter with you in person.

Thank you very much for any attention you may be able to give to her case.

Yours sincerely,

*Pauline L. Sage*

My dear Miss Sage:

I have given the most careful thought to the case of Miss Dedinsky, and have consulted those in authority in such matters around the University, and I am sincerely sorry to say that we do not see any way whereby the University or anyone officially connected with it can provide what she requires. There are two or three benevolently disposed women in the neighborhood among whom I might take the liberty of mentioning Mrs. Wilton Shirk and Miss Shirly Farr. In case you refer the matter to them please ~~in~~ no account say that I suggested this.

As you will already have inferred, I am more sorry than I can tell you that we cannot take care of the case as you have presented it.

With all good wishes, I am

Cordially yours,

Assistant to the President.
