Dear Sir:

Dr. Mathews recently turned over to me  
a mass of Dr. Henderson's correspondence which I note  
is being handled thru your office.

I should appreciate it as a favor if you could  
turn to me direct instead of to Dr. Mathews such  
letters as touch on prison affairs. This will save  
time and I am making this request because the government  
has authorized me to continue the work of the office  
to the end of the fiscal year. They will therefore  
hold me responsible for promptly placing at the  
disposal of any who may inquire such information  
as we possess on prison matters.

Thanking you for this attention, I remain,

Sincerely yours,

*B. W. Brown*
