Mr. D. A. Robertson,
Faculty Exchange.

Dear Mr. Robertson:

I regret very much your inability to be at the last meeting of the Interscholastic Commission. I am sure that points concerning the conduct of our Interscholastic meets in the past have come to your attention which would aid us in making this year's meet more attractive to the high school boys. If you can not find time to meet with the Commission next Tuesday evening, June 8 at 7:30, in the Reynolds Club, I should be glad to receive any suggestions you may care to make through the mails.

Very truly yours,

Denton H. Sparks
General Chairman.

Dear Mr. Sparks:-

My time is so taken up from now until after the opening of the Summer Quarter that I cannot be present at the meeting June 8th.

May I call attention to one point? The vaudeville has sometimes been in need of supervision by someone with taste. Two years ago especially certain offensive speeches were made from the stage. I am sure that you will sympathise with me in my feeling that we ought to set a standard of gentlemanliness in our entertainment as well as sportsmanship in our athletics.

I have always questioned the value of this particular form of enterprise either to the University or to University athletics. Since the Commission has, however, decided to have an interscholastic I believe in making it the best

In this connection you perhaps know that in the President's Office we have a collection of three hundred and eighty-eight slides of the University. It is entirely possible that you may wish to use some of these slides in connection with your entertainment. Of course you are welcome to them.

Very truly yours, .
