Dear Doctor Harper:-

February 25th, 1904.

I want to say that I have been under the weather for the last couple of weeks. I suggested that a meeting of Mr. MacVeagh's Committee should be called - and it was called - I was not able to leave my house that day to attend. I am most anxious to see Mr. Franklin MacVeagh, and especially on your trip to Chicago of that Committee, which I am in charge of at Franklin MacVeagh & Co., Chicago. I shall hope to be on my feet pretty soon, and shall then seek the opportunity to talk with you, as My dear Mr. MacVeagh:-

I send you herewith a check for my contribution to the World's Fair Fund, which has been neglected because I was under the weather. It was very good of you to help us in the matter of the World's Fair fund and I thank you most sincerely. It

will be possible for us to go forward in the way desired. I also appreciate the kind words which your letter contains concerning myself.

Yours most sincerely,

W. R. Harper

Dear Doctor Harper:-

In reply to yours of February 10th I want to say that I have been under the weather very much for the last couple of weeks; and though I suggested that a meeting of Mr. McLeish's Committee should be called - and it was called - I was not able to leave my house that day to attend. I am most anxious on every account, and especially on yours, to further the objects of that Committee, which I consider very important. I shall hope to be on my feet pretty soon; and shall then seek the opportunity to talk with you, as I so very much desire to do.

I send you herewith a check for my contribution to the World's Fair Fund, which has been neglected because I was under the weather.

Very sincerely,

Franklin MacVeagh
