Action taken May 17, 1916

On motion of Prof. F.L. Anderson, of Massachusetts,
the following resolution was adopted:

The Convention hereby makes it the duty of the Board of Education and its executive officers to be watchful of all attempts to extinguish or diminish Baptist influence or control in educational institutions now wholly or partially Baptist; and to take such legal and other action in the name of the Convention to safeguard such influence and control as shall be deemed necessary, whether the Baptists immediately concerned are favorable to such action or not. If for any reason and in any case the Board doubts the expediency of such action, they shall take steps to postpone any move hostile to Baptist influence or control until they can refer the case to the Convention for its decision.

COMMUNICATION TO THE BOARD OF TRUSTEES OF
THE UNIVERSITY OF CHICAGO

adopted by

THE BOARD OF MANAGERS OF THE AMERICAN BAPTIST EDUCATION SOCIETY

May 16, 1917.

"The Board of Managers of the American Baptist Education Society having given prolonged consideration to the matter referred to in your resolution of May 15, desires to express its sense of the importance of the considerations that underlay your action, but regrets to be obliged to reply that in its judgment the usefulness of the Board as a conservator of the interests of education under Baptist auspices would be seriously jeopardized if the Board became associated in the minds of the denomination with an effort to change the terms of the relation between the Baptists and the University of Chicago. Regardless therefore of the merits of the case, it is the judgment of the Board that it can not wisely become the medium for the transmission to the Society of the proposition of the University, but must leave it to the University itself to present such request as it may judge wise directly to the Society. The Board is, however, willing to continue a committee of conference with a similar committee of the Board of Trustees of the University of Chicago if the University so desires."

Gentlemen:

In 1889 I made my first pledge of \$600,000 toward a million dollars for the foundation of a college in Chicago under Baptist auspices. This pledge was made to the American Baptist Education Society under a plan made by that Society - a plan which met my entire approval. It was hoped that the initial sum would be supplemented by further contributions made by others and that the college would in time have a normal growth.

That growth in fact has been phenomenal. So great was the need, so favorable the location in Chicago, so generous the response of Chicago people, that the college has become a great university of nation-wide influence. Such an institution, with its professional schools and its material contributions to knowledge, is of necessity undenominational in its administration. Realizing this vital and inevitable development, on the 24th day of February, 1909, I executed an indenture whereby I released the University, so far as any gifts of mine were concerned, from the condition in the Articles of Incorporation providing that the President and two-thirds of the Trustees should be members of regular Baptist churches. In making this indenture, I said that this instrument was not intended to express my desire or suggestion that any change should presently be made in the matter of denominational control, but simply to provide that if at any time in the future the University or its Trustees should consider such a change advisable, either in the interest of the University or of the public which it is intended to

In 1889 I made my first pledge of \$500,000 toward a million dollars for the foundation of a college in Chicago under Baptist auspices. This pledge was made to the American Baptist Education Society under a plan made by that Society - a plan which met my entire approval. serve, my gifts should not present any legal obstacle to such change.

The development of the University since 1909 has been even more notable than it had been up to that time, and its eminently university character, as distinguished from that of a mere college, has been very significant. I have followed that development with much interest, and from time to time have aided it by such contributions as circumstances seemed to warrant. I understand that my total gifts to the University of Chicago amount to nearly \$35,000,000, that the gifts of others than Baptists directly to the University total approximately \$15,000,000, and those of still others to non-Baptist institutions, contractually bound to the University, are upwards of \$10,000,000 more.

In the light of these facts, while I by no means urge a change of policy on the part of the Northern Baptist Education Society, which I understand is the legal successor of the American Baptist Education Society, yet if the Society should think it wise to adopt measures for releasing the University from all or any of the denominational restrictions in its Articles of Incorporation and in the tenure of its property, such action would meet with my hearty concurrence.

Dear Dr. Chamberlain:

I am writing you to inquire your judgment as to whether or not we should be now proceeding toward a final determination of the matter submitted to and considered by our Joint Committee on the 3d of March last. I am led to make this inquiry, partly because I have heard that there is some likelihood of an attempt on the part of the reactionaries in our denomination to get control of the Northern Baptist Convention and direct its conduct at the Buffalo meeting.

I do not know that the matter has assumed, or is likely to assume, definite form; nor that it has any particular bearing upon the matter submitted to us.

May I hear from you in regard to the matter, at your early convenience.

Yours very truly,

(Signed) J.A.B.

My dear Judge Baldwin:

Herewith I am returning the material which you sent to Mr. Gilkey in Buffalo. On the whole it did not seem advisable to take the matter up at that time. I think it would be well for the Board at its next meeting to adopt formal action requesting the Education Society to give the University a quit claim deed to the land concerned without the denominational limitation. The Convention adopted resolutions and authorized the appointment of a committee to make a report on all the educational institutions in which the Education Society has an interest. The resolution proposed was not adopted but a substitute was approved which embodied resolutions of a very different type and which in point of fact were drafted by some of our own men. The situation here should be a necessary part of the report and I feel confident that the next Convention will be in a reasonable frame of mind.

With sincere regards, I am,

Very truly yours,

IN CHAMBERS

CHICAGO. January 20, 1921.

Dear Dr. Judson:

Referring to the matter of the proposed effort to secure a release of the covenants in the deed to the University of certain property, I have before me your letter of February 3, 1920, in which you say:

"I am having a list made of the donors and the amounts of their gifts, including those whom we might very properly approach at an early date on the matter to which you refer. Dr. Goodspeed and Mr. Arnett will have the list prepared. I will send you a copy, together with a draft of a letter which might be sent to them with your approval. All the clerical work, of course, can be done in the offices, and I should think any letter might very properly go with your signature as chairman of the committee."

I have never received the copy of the list and draft of the proposed letter, and shall be glad if you will see that it is furnished me. And, by the way, may I trouble you to ascertain and advise me whether expense accounts were paid to either Senator Parker or Mr. Scott, on account of our committee meeting in New York; and, if so, how much to each, and when?

I am very tired nervously, and am leaving for New Orleans for a week or ten days' rest. There is nothing special at New Orleans, except that the climate is mild and I shall be far away from my work.

With assurances of sincere personal regards, believe me,

Cordially yours,

Jesse A. Baldwin

IN CHAMBERS

CHICAGO, February 28, 1921.

Dr. Harry Pratt Judson,
President, University of Chicago,
Chicago, Illinois.

Dear Dr. Judson:

In examining the files you sent me on the 8th inst., and also my office files, which I had theretofore accumulated, concerning the same subject matter, it seems to me desirable that we should proceed on behalf of the University to secure releases from as many of the Baptist subscribers to the University as possible. I say "Baptist", because I should think it unlikely that any non-Baptist would raise any objection to the proposed change.

No. 8 of your letter to me of February 8th is as follows:

"January 21, 1920.

"My dear President Judson:

I have checked up the figures of gifts made by Baptists to the University of Chicago since its founding, and find the following to be the facts as near as they can now be ascertained:

"1 - Subscriptions to the original	
\$400,000. fund	\$374,293.
Deduct amount unpaid	96,400.
F. E. Hinckley	\$50,000.
S. E. Olson	7,000.
G. E. Bailey	5,000.
Sundry Others	<u>34,400.</u>
Total payments	\$250,893.
"2 - Payments to Sundry Objects since	
Original Fund	<u>606,826.96</u>
	<u>\$857,719.96</u>

"You will notice that the total subscriptions amount to approximately \$860,000.00. Since the original subscription \$316,068.28 have been paid by Baptist members of the Board of Trustees, leaving the total amount paid by others \$541,651.68.

"These figures are the result of indications made by Dr. Goodspeed and Dr. Dickerson of the Baptist subscribers on the lists in the possession of the University. I do not suppose that they are exactly accurate in all respects because there must be some persons whose religious affiliations they do not know.

Yours very truly,

As to such of these people as have already signed releases, I am by no means clear that a letter from me, as Chairman of the Committee, enclosing a copy of a release, would be as effective as one sent by Dr. Goodspeed, accompanied by a letter from himself. Moreover, some of these people I am wholly unacquainted with, and I do not know just how many have already released. I have among my original files, consents or releases from:

Howard G. Grey
Chas. F. Grey
Chas. R. Holden
Wm. H. Holden
Wallace Heckman
Robert L. Scott

Chas. A. Marsh

field,
Of the list set out in Instrument No. 8, Mr. E. S. Conway died at Oak Park approximately a year ago; and I do not think that anybody on behalf of the family would make any objection to our change. His subscription, moreover, was only \$1,000, and I feel confident that I could secure a waiver from the representatives of his family. I do not know whether Mr. Needham, at Washington, D. C., is still living. As to John A. Reichelt (incorrectly written "Rickett"), under the title "Theological Union", he resides at Deer~~ing~~, Illinois; and, because of my personal relations with him, I think I perhaps would be more likely to secure a waiver from him than could anyone else.

I had an impression that Mr. Francis W. Parker had signed a release, but I do not find it among my files. Unless it is found among your files down there, I will at once apply to him for another.

May I trouble you for your views in the matter?

Very truly yours,

Jesse A. Baldwin

P. S. - You failed to answer my inquiry concerning expenses of the two Trustees mentioned. I should be glad to know about the matter, with a view of deciding what I, myself, will do in respect to the same subject matter.

P. S. #2 - I am enclosing a copy of a Form of Release, which embodies the ideas expressed in Mr. Heckman's draft, with some modification made by me, and of which he expressed his approval.

JUDGE BALDWIN
405 E. COUNTY BLDG.
REC'D MAR 22 1921

THE UNIVERSITY OF CHICAGO
FOUNDED BY JOHN D. ROCKEFELLER
OFFICE OF THE PRESIDENT

T4A
Baldwin

March 21, 1921

Judge Baldwin:

On Saturday afternoon I
had a short chat with Dr. Chamber-
lain, of the Education Society Com-
mittee. I told him we meant to put
the question up to the Convention, and
he is ready for it. He thinks we ought to
have a meeting of the Joint Com-
mittee, and suggest Mustering
Hughes. I agreed that our Com-
mittee should communicate with
the Secretary and make notify Mr.
Chamberlain. I am wondering
therefore if you will write to Mr.
Hughes. The Convention will meet
in Des Moines June 21st 1921. I am
due in Lynchburg, Va., Apr. 30 and in
New York May 6. Otherwise make no pre-
sents May 25 & 26, when I also have to be
in New York.

Cordially yours,

Hon. Jesse A. Baldwin

My dear Mr. President:

Not being able to determine with certainty from the printed program at what time the business session of the Board of Education was to be held, I telegraphed to Dr. Padelford and have received the following reply:

"Have called business session Board of Education Thursday. Will probably adjourn till following week. Believe it grave mistake to ask committee on University to report this year. Earnestly hope University will not urge such report. Will greatly prejudice their interest. Annual meeting is legally called."

Of course, what he says about the wisdom of the presentation of the report this year is personal opinion. But I imagine that it reflects not only his feeling but that of the officers of the Board of Promotion in New York.

Very truly yours,

Ernest D. Burton
