Mr. William E. Scott
Office of the President
Faculty Exchange

My dear Mr. Scott:

President Burton, at the Quadrangle Club the other evening, asked me about Mr. Wilson. I told him at that time all that I knew.

Apparently Mr. Wilson is giving \$5,000.00 a year to the Institute of American Meat Packers to be turned over to some educational institution for scientific research in connection with some problem related to the meat packing industry. He contemplates, I think, that the money will be turned over to the University of Chicago by the Institute of American Meat Packers, if the scientific departments of the University of Chicago desire it.

Yours sincerely,

WHS:EL

W. H. Spencer

My dear Mr. Swift:

Several days ago, you inquired of President Burton what could be learnt of Mr. Wilson's gift to the Institute of Meat Packers. In answer, may I quote a paragraph from a letter received from Mr. Spencer:

"Apparently Mr. Wilson is giving \$5,000.00 a year to the Institute of American Meat Packers to be turned over to some educational institution for scientific research in connection with some problem related to the meat packing industry. He contemplates, I think, that the money will be turned over to the University of Chicago by the Institute of American Meat Packers, if the scientific departments of the University of Chicago desire it."

Truly yours,

Mr. Harold H. Swift,

President Ernest D. Burton,
The University of Chicago,
Chicago, Illinois.

Dear Mr. Burton:

I can find nothing in Mr. Wilson's gift to the Institute more than \$5,000.00 a year for three years as running expenses of a laboratory. If there is more than this, my informant,- a member of the Educational Committee of the Institute of American Meat Packers, has not been advised of it. My informant thinks that it is hooked up with the University in some way and supposes that we are furnishing a room for the purpose, but doesn't know.

I understand that Mr. Spencer has succeeded Mr. Filbey in charge of the educational activities so that it seems to me a perfectly proper thing for him to make detailed inquiries in the matter.

Yours cordially,

Harold H. Swift
