My Dear Sir,-

I take the liberty of addressing you in relation to a matter, which probably you are now considering, that is, the musical department of the Chicago University.

Our institution has been located in Chicago for the past twenty six years, and I herewith send you a catalogue, which will give you an idea of the advantages offered.

I should like very much to have the pleasure of a personal interview, and I believe that I can offer you advantages that would make the musical department of the Chicago University in keeping with the unexcelled advantages the other departments offer. If agreeable, will you kindly let me know when it would be convenient for me to see you.

Very truly yours,

Ziegfeld

My Dear Sir:--

In reply to your esteemed favor of February 27th would state that I have been approached (by one claiming authority) with a proposition relative to a Musical Department in connection with the University, but a matter of this importance suggests the propriety of the respective heads discussing it. I am, indeed, quite sure that you have no knowledge of the proposition referred to.

Personally, I should be very happy to make your acquaintance and there will be no harm in talking over the matter, if you feel so inclined. If your time will permit, I shall be glad to have you dine with me at the Athletic Club, or elsewhere, at such time as may meet your convenience. We are both busy men and it will be necessary for us to arrange a time which is mutually agreeable. May I ask you to meet me at the Chicago Musical College, - Central Music Hall, - next week, either Monday, Tuesday, Thursday or Friday at one or five P. M.? Should you prefer, I could call at the University some evening. Awaiting your kind reply, believe me,

Very respectfully yours,

*F. Ziegfeld*

Please excuse dictation.
