Dean J. H. Tufts
Faculty Exchange

My dear Dean Tufts:-

The Board of Admissions holds monthly meetings. The appointed members for the past year and the number of meetings each has attended are as follows:

Number of meetings from October, 1924 to
June, 1925 - 6.

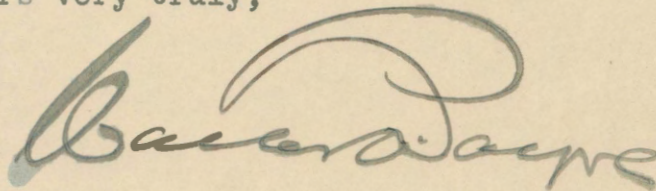

Attendance of appointed members:

Mr. Gale	1 meeting
Mr. Goetsch -	2
Mr. Harvey -	4
Mr. Judd -	0
Mr. Miller -	1
Mr. Morrison -	2
Mr. Schlesinger -	0
Mr. Slaught -	0

The question in my mind is whether we should, without taking the question up specifically with each of these men, fill his place for the next year with someone else, or whether a brief note, calling attention to the importance of the meetings of the Board and the desirability of a fair representation at each meeting, with request for reply as to whether he prefers to be relieved, or to continue on the Board might be the more diplomatic step to take.

What is your judgment?

Yours very truly,

Recorder-Examiner
