My dear Dr. McLean:

Mr. Swift has sent me a copy of a letter from Mrs. Williams to him, inviting the Trustees of the University of Chicago to attend the Commencement Exercises of the Illinois Training School for Nurses on June 11. Since June 11 is our Convocation Day it is probable that no member of the Board will go to the Training School Exercises. Mr. Swift suggests that in case it is important that the University be officially represented you be requested to attend the Exercises for us.

You will know better than I whether it is important that we be represented, and I am leaving the matter entirely to your judgment.

Yours cordially,

Frederic Woodward

to have the invitation transmitted to the Chicago members of the
