Dear Cousin;

Your very pretty gift for our little son came some time ago and we wish to thank you for it and the kind thought that prompted it.

Ed came to the ranch and I have not been in to Tillian since it came, so she has not seen it.

But I know how pleased she is to have it from you, as I wrote her about it, and I join her in thanking you for remembering us in that very pleasant way.

We are having the hardest time of our lives just now, in one way, and that is in being separated from each other.

We are very happy in our son who is a very vigorous specimen and has not had a sick day since arrival, outside of colic, which he brings upon himself by too long a stay at the dinner table. He does like good things to eat.

and plenty of them, just like his
dad, but he is a very good
boy, also like his dad.

Lillian is in splendid health and
would be perfectly happy if her
long-legged hobby could camp by
her side.

I am sure this feeling is heartily
reciprocated by said hobby and
we hope to be together in a short
time now.

Please remember me and us to
your very delightful family whom
I admire very much and wish I
had had more opportunities to
know better.

Some day when we get into
civilization we hope to have you
folks visit us and we will
give you a royal good time.

Begin now to make your plans
for the trip and then we will be
sure to see you when all plans
agree.

With many thanks and kind

Wishes - Yours sincerely
Annette, Kern Co. Cal. Paul Wyman.
