

5. VASSAR LAKE. VASSAR COLLEGE. POUGHKEEPSIE, N. Y.

POST CARD

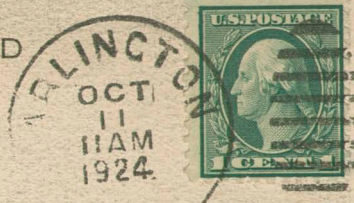

Friday eve. 11. P.M.

Been so busy that I can't see straight. Went around this lake on our last Botany field trip. Just been in to Movies & had some hot chocolate etc. in another girl's room - 8 or 10 of us. Attended the Cambridge - Vassar debate last night - it was pretty bum. Judges voted for Cambridge over Vassar. Thanks for letter & card. Very glad to hear the school news & get Onas views.
