Wednesday morning
before breakfast.

POST CARD

Saturday night there was an
earthquake at Hartford Conn. It
shook the buildings in Albany. I didn't
feel anything, but those who were
over in students, watching a play,
saw the balcony suddenly
cray. & every one got up to
leave. Unfortunately, nothing
exciting happened.

Yesterday afternoon I had to
go to another one of those awful
French lectures. It wasn't so bad
this time, though. There goes the bell.
