Please excuse the card - I'm
feeling sleepy. Painted all
afternoon & worked on History
topic in Libe all evening. They
believe in getting to work
immediately. I have 8 hrs.
tomorrow, but I'll try to
find time to work more fully.
Shopped yesterday afternoon &
got most everything. I've
wrapped my room in the tower
on this card. The left wing is
hidden by the trees. I've gotten
no card or letter yet. P.D. 2.
