POST CARD

Post Cards of Quality. — The Albertype Co., Brooklyn, N. Y.

It's half past ten & I've
set the alarm for 6 to morrow
to go on an hours walk
before breakfast, I'm
so sleepy. Our math
teacher didn't turn up today
So after 10 min. we got up
& walked out. I wish I
had a beard for Father's Day
but I guess I'll look handsome
enough without. P.D.W.
