

NEW ENGLAND BUILDING, VASSAR COLLEGE. POUGHKEEPSIE, N. Y.

Thursday afternoon -

POST CARD

Just came back from the Botany Lab. after 3 hrs. there. This noon it began to snow - most of the campus is a series of lakes - you need a canoe to go over - & now everything is getting covered up & looks pretty. Hope for more skiing over the week end. There were a number of changes in rooms here. One awful moment I thought we were going to be, but thank goodness not. Pauline
